VACANCY ANNOUNCEMENT

Terre des hommes Foundation (Tdh) is an international NGO focussed on Child Rights. To support the development of its **project in Boma State**, Tdh is encouraging applications from South Sudanese nationals for the role of:

Awareness Officer (CPO)– REF:

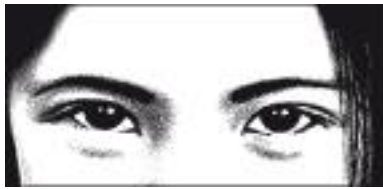

Duty station: Boma, GPAA (Boma State)

Contract duration: 10 months (with possibility to be renewed)

Starting Date: ASAP

Main responsibilities:

- Liaise with the WASH project team to conduct KAP survey before and after;
- Conduct hygiene awareness campaign in the targeted communities in collaboration with the hygiene promoters;
- Supervise hygiene promoters to carry their tasks effectively and efficiently;
- Identify WASH training needs for community groups;
- Participate in the recruitment and training of hygiene promoters and other community groups within the project locations;
- Ensure the distribution of hygiene kits for households;
- Advise the WASH team in water, sanitation and hygiene promotion programming, in broad coordination with other CP sector;
- Contribute in analysing the baseline study data to determine the underlining needs of the beneficiaries
- Contribute to the development of materials to promote safe WASH practices, including appropriate use and maintenance of water facilities and services
- Contribute to contingency planning for possible WASH emergency response if required;
- Liaise with project team and community to ensure WASH activities maximize gender mainstreaming and inclusiveness of vulnerable & disable groups;
- Promote community involvement and ownership in all water and sanitation activities;
- Actively participate and contribute to coordination meetings in the County;
- Ensure Tdh actively coordinates and contributes to the County's WASH coordination and plans;
- Coordinate with other actors working in the same location and inform line manager on the latest development and any plans regarding to the project locations or the targeted population;
- Oversee staff knowledge of, agreement to, and compliance with Tdh's Child Protection Policies;
- Collect field reports, check accuracy of data and combine reports on weekly and monthly basis for the submission to the line manager;
- Prepare program reports for the WASH Project Manager on a weekly and monthly basis which includes quantitative and qualitative information on project accomplishments and impact;
- Inform line manager of challenges faced in doing the work, and if additional support is needed;
- Maintain the highest standards of confidentiality and ensure child safeguarding concerns are reported and followed up;
- Establish synergies with other initiatives and projects to better respond to the needs of the target group;
- Ensure that action is taken to mitigate priority water and sanitation related health risks;
- Perform other tasks as assigned by the line manager
