

ICRC

International Committee of the Red Cross
ICRC Compound, Ministries Road, Amarat Juba, South Sudan

JOB OPENING
LIGHT VEHICLE DRIVER
(2 positions)
Based in Maban, Upper Nile

The International Committee of the Red Cross (ICRC), an impartial, neutral and independent organisation striving to protect and assist the victims of war and internal violence, has been working in South Sudan since 1986. The ICRC is looking for two (2) enthusiastic and motivated persons for the above position to be based in Maban.

Main Duties and Responsibilities:

- Drives different types of light ICRC vehicles by strictly following internal security and national traffic rules.
- Actively participates in loading and off-loading of vehicles and trailers
- Oversees/advises on loading of vehicles and trailer to ensure safe weight distribution and a secure load
- Checks the mechanical condition of the vehicle before the trip
- Transports cargo and ensures that the load is secure as per the vehicle specifications in a proper and safe way
- Informs superior about service, maintenance and other possible repairs needed in advance
- Is present at the loading and unloading of goods and check that the quantity corresponds with relevant documentation
- During the trips monitors all cabin instruments to be able to promptly react if needed
- Delivers mail or goods as requested
- Checks equipment on attributed cars, ensures proper fueling and cleaning
- Reports technical car defects and or/missing equipment immediately to the Antenna Manager
- Reports changes in security or road safety situations immediately to his superior
- Reports any incident / accident immediately and ensures the timely establishment and submission of the relevant report
- Establishes and communicates through VHF/HF Radio systems as and when required

Minimum required knowledge & experience:

- Secondary School or Equivalent (G.C.S.E or Standard Grade Exam)
- Additional vocational training in mechanics or other relevant field
- 2-4 years of experience as a driver or in a similar position
- Conversational in English and Arabic, Mabanese would be an asset
- Intermediate level in computer skills
- Light vehicle Driving license for at least 5 years and succeeded in ICRC driving test
- Very good knowledge of the geographically assigned environment
- Master 4/4 and VHF use
- Basic mechanical skills

Interested candidates should submit their application clearly marked “Light Vehicle Driver. Maban” (including C.V. written in English and copies of certificates) at latest Monday 29th February 2016 to The Administrator;
