

EXPRESSION OF INTEREST FOR THE PROVISION OF AUDIT SERVICES

Smile Again Africa Development Organization (SAADO) was founded in 2011. Registered with South Sudan ministry of Justice (1158) as a national non-profit organization that aims to promote social cohesion among the communities in South Sudan and empowers them to fight poverty. As our motto states, it is an obligation for the youth of South Sudan to build a strong coalition and fight a bloodless war against poverty. SAADO is a vehicle through which ideas, expertise, and experiences are channeled. Our conscience commits us to the creation of better access to basic human needs through economic empowerment and the recognition of vulnerable groups—women and children. We do this in way that is very simple. We consider everyone as an actor in the process of community empowerment, helping to enhance food security and livelihoods, access to quality health services and nutrition, access to quality education, and, in creating peaceful co-existence within and among communities. Above all, SAADO cherishes principles of human rights and dignity.
