

ICRC

International Committee of the Red Cross (ICRC)
ICRC Compound, Ministries Road, Amarat Juba, South Sudan

JOB OPENING
AGRONOMIST/ POLYVALENT FIELD OFFICER
Based in MANKIEN

The International Committee of the Red Cross (ICRC), an impartial, neutral and independent organisation striving to protect and assist the victims of war and internal violence, has been working in South Sudan since 1986. The ICRC is looking for an enthusiastic and motivated person for the above position based in Mankien.

Main Duties and Responsibilities:

- Under the supervision of the Direct Superior, the employee deals with and organizes the implementation and running of small projects or programs.
- Conduct pre and post-harvest assessments. Contribute to planning and distribution of agricultural seeds and tools.
- Analyse the social, economic, political and cultural situation of the covered area and its humanitarian consequences for the population. Makes written reports on the analyses.
- Assist EcoSec delegate(s) in Unity state in the implementation and management of non-agro Economic Security activities as needed. Activities likely to include general food distributions, NFI and fishing kit distributions, livestock activities, etc.
- Maintain and expand a network of interlocutors for Unity state.
- Keep updated on the work of other international organizations present in the field.
- Plan and organize field trips.
- Contribute to the organization of presentations, trainings and other events.
- Present and explain, to the target communities and beneficiaries, the ICRC mandate, principles and activities implemented in South Sudan.

Minimum Required Skills and Qualifications:

- University degree in Agricultural science.
- Additional vocational training in a humanitarian area, socio-economic development, humanitarian law, human rights or equivalent field.
- 4-6 years of experience in a humanitarian area, socio-economic development, humanitarian law, human rights or similar position.
- Minimum 3 years' experience in adapted agricultural technology, seed management, plant genetic resources, supervision of on-farm trials, participatory methods.
- Fluent in English and Nuer language. Conversational Arabic. Dinka language a strong asset.
- A strong up to date understanding of the political and humanitarian dynamic in Unity State, in particular in Mayom County.
- Able to travel extensively in Unity state in particular in Mayom County.
- Has good networking skills.
- Expert level in computer skills.
- Skilled in the following competencies: Representing the ICRC; Adapting & Learning; Communication (ability to express and exchange views and ideas); Analysis & Synthesis.
- Good knowledge of ICRC mandate, IHL, and of other humanitarian topics.
- Good knowledge of geographically assigned environment.
- Readiness to spend 50-75% of the time in the field.

Interested candidates should submit their application clearly marked "**AGRONOMIST/POLYVALENT FO**" (including C.V. motivation letter written in English) and copies of certificates at latest **Wednesday, 16th of December 2015**

either: At the ICRC reception: **Attn Administrator: Juba, Wau, Bor, Rumbek, Mankien**
or: By email to: **jub_hr_services@icrc.org**

Approved: *[Signature]* Only short-listed candidates will be contacted.
