JOB OPPORTUNITY

JOB TITLE: Project Coordinator (1 Position)

LOCATION: JUBA (with frequent monitoring & evaluation field travels)

REPORTS TO: Country Director

JOB PURPOSE: To oversee effective implementation of Primary School Leadership, Inspection & Supervision Project (PSLP) in five States of Western Equatoria, Unity, Upper Nile, Warrap and Western Bahr El Ghazal. BACKGROUND TO THE PSLP:

As part of the Global Partnership for Education Programme (GPEP), UNICEF awarded funding to Save the Children as the lead of a three-partner consortium to develop and roll out national school leadership and school inspector and supervisor professional development programmes. This project will be delivered nationwide at state level to equip and accredit school leaders, and inspectors and supervisors with the skills needed to improve schools and to raise both school and pupil performance.

The project is designed to complement and become integrated into South Sudan's existing General Education Strategic Plan as a step-change in the performance of school leaders, supervisors and inspectors, whilst delivering long term, system-wide mechanisms for continuous improvement. At State level the work will be shared between State Ministries of Education and partners and overseen by State Training Coordinators who are directly supervised by the Project Coordinator.
