

## TERMS OF REFERENCE

**Vacancy reference no.:** VAC-1588  
**Position:** RMC Officer- Mine Action Local National  
**Place of performance:** Multiple Locations, South Sudan  
**Contract duration:** up to 1 year 2 months (@26days/month)  
**Starting date:** 15-Sep-2018  
**Closing date:** 24-Aug-2018

### OVERVIEW OF CTG GLOBAL

CTG support and manage humanitarian projects in fragile and conflict-affected countries around the world. With past performance in 15 countries – from the Middle East, Africa, Europe, Asia and Central and South America – we offer a holistic fabric of project management, implementation and support. Skilled in emergency response to crises such as the Ebola outbreak in West Africa, we have the ability to act quickly (crisis response teams can be on the ground in 24 hours) and to establish structured operations in high-risk environments. CTG recruit and manage qualified, skilled teams with extensive experience operating in challenging conditions.

### OVERVIEW OF THE POSITION

**Position title:** RMC Officer Local National  
**Place of performance:** South Sudan (Multiple)  
**Start date:** 15/09/2018 – 15/10/2019  
**Duration:** Up to 12 months (@6 days/week)

The Regional Management Capacity National Specialist (herein referred to as the 'National Specialist') will support the management of the demining activity being carried out throughout the affected country. The National Specialist shall be required to deploy to a field duty stations in South Sudan to support the Regional Management Capacity (RMC) Officer. The National Specialist's work shall ensure the conformance of the demining operations with IMAS and the South Sudan Mine Action Standards.

### GENERAL FUNCTIONS

#### Role objective:

Support the management and delivery of all demining activities as directed by UNOPS and keeping oversight on all UNOPS demining activities as assigned within South Sudan;

#### Expected output:

Support the RMC Officer in monitoring demining activity within the area of operation;

Monitor all mine action operations to ensure adherence to the Statement of Works, the contractors' work plans, IMAS and the South Sudan Mine Action Standards;

Inspect, monitor, and evaluate technical aspects of the Mines Survey and Clearance activities in operations;

Contribute as required to monitor reports after visiting operations sites;

Participate in any Board of Inquiry to investigate any incident or accident to which assigned;

Perform any other task designated by the Operations Office in Juba;

Provide advice to the international RMC Officer and the UNOPS management team on local issues, particularly those relating to ethnicity and social tensions;

Assist the international RMC Officer in the preparation of reports for submission to the UNOPS headquarters in Juba

**Project reporting:**

The National Specialist will report directly to the head of office within the UNMAS Operations Office team.

**Team management:**

This role does not require any team management

**ESSENTIAL EXPERIENCE**

---

**Education:**

- Completion of Secondary School education any related field.

**Work experience:**

- Minimum of 5 years of demonstrable relevant Mine Action experience.

**Geographical experience:**

- Minimum of 5 years of experience in Africa (desirable).

**Languages:**

- Fluency in English is essential.

**Key competencies:**

Ten years' experience in mine clearance operations;

Detailed knowledge of all ammunition types encountered in South Sudan;

A thorough understanding of IMAS, the South Sudan NTSG and IMSMA;

Be able to demonstrate an ability to calculate all up weights and associated safety distances for bulk demolitions;

Be familiar with use of de-armers, pyrotechnic torches and the incineration of ammunition;

Fluent in spoken and written English;

Computer literate

**Other relevant information:**

Experience in a similar operating environment to South Sudan
