Call for Expression of Interest

May 24, 2018

A global health leader situated at Columbia University, ICAP has worked since 2004 with one central goal: to improve the health of families and communities.

At the request of US Centers for Disease Control and Prevention (CDC), ICAP is initiating operations in South Sudan to provide HIV related technical support and capacity building assistance. In partnership with the Government of South Sudan, Ministry of Health and Local NGOs, we seek to facilitate the further expansion of quality HIV services in South Sudan including greatly expanded provision of antiretroviral treatment (ART)

Based on the above, ICAP is soliciting for quotation for the item below:
