Bunj Hospital Solarization	Emmanuel				Maban

Item #	Qty	Unit	Part #	Item Description	Unit Cost (USD)	Total Cost (USD)	Unit Weight (Kg)	Total Weight (Kg)	Delivery Lead Time	COMMENTS
1		set		Installation cost for installation of 36kW/45KVA solar system		0.00		0.00		Ground mounted in combination with Inverter, & Batteries. Connected to parallel to existing diesel Generators. The Solar generated electricity will provide 24hrs power supply to the hospital. The solar will be the main source of electricity to run the hospital operation (heater equipment, refrigerators & ceiling & external security lighting while the diesel generator as back up.
2		pc		Modules: 300W crystalline PV		0.00		0.00		The Modules should conform to all international standards: IEC 61215 / IEC 61730: VDE/CE/MCS/JET/KEMCO/SI/CEC AU/ INMETRO/CO UL 1703 / IEC 61215 performance: CEC listed (US) / FSEC (US Florida) UL 1703- CSA IEC 61701 ED2: VDE IEC 62716: TLV IEC60898-2-68: SGS PV CYCLE (EU) UN9177 Reaction to Fire: Class 1
3		pc		30KVA Victron Inverter Charger		0.00		0.00		Three phase inverter and controllers will be delivered on a pre-assembled rack system for easy installation and installed inside the generator room. The inverter & controls Must meet international standards
4		pc		2v Batteries 1500 AH; Sunlight deep cycle batteries		0.00		0.00		Should be able to store electricity for overnight running of the hospital
5		pc		Charger controller		0.00		0.00		
6		structures		Solar panel support structure, Height = 5m from ground surface, 1m in concrete foundation		0.00		0.00		
7		set		4 inch diameter GI poles, 10 poles per mounting structure (two rows of 5, interconnected with 3x3 inch beams and 2x2inch struts)		0.00		0.00		
8		set		Each structure to carry 38 solar panels 300w each		0.00		0.00		
9		set		PV disconnect Switch 440v/20A		0.00		0.00		
10		set		Manual Change over switch 40A		0.00		0.00		
11		set		6 mm2 4 core UG Cable		0.00		0.00		
12		set		50mm battery cable		0.00		0.00		
13		set		Battery racks		0.00		0.00		
14		set		6mm2 1-CORE Earth Cable (length in meter)		0.00		0.00		
15		set		Earth rod C/W Clamp		0.00		0.00		
16		Bags		Accessories (including twin with Earth flat cables 6mm)		0.00		0.00		
17				Earth arrestors		0.00		0.00		
18				Cement		0.00		0.00		
19						0.00		0.00		
20						0.00		0.00		
21						0.00		0.00		
22						0.00		0.00		
23						0.00		0.00		
24						0.00		0.00		
25						0.00		0.00		
26						0.00		0.00		
27						0.00		0.00		
28						0.00		0.00		
29						0.00		0.00		
30						0.00		0.00
