

# Christian Mission for Development

*Transforming lives, building communities*

---

## **ADVERTISEMENT FOR A ROVING WASH OFFICER**

### **About CMD**

Christian Mission for Development (CMD) is a leading non-profit South Sudanese faith-based relief and development organization dedicated to fighting poverty and injustices to reduce human suffering. CMD was established in 2005 with a mission to enhance provision of holistic services that delivers emergency aid to survivors of conflict and natural disasters, and helps affected communities rebuild their lives thereby providing protection and giving hope to the poverty-stricken Internally Displaced Persons (IDPs), returnees and the most vulnerable host communities in the region.

### **Our Vision:**

The vision of CMD is “peace, development and community empowerment for sustainability”. We seek a world of hope, tolerance and social justice, where poverty has been overcome and people live in harmoniously with dignity and security; CMD envisions a transformed society where equitable development assistance, justice and social services are accessible to all classes and groups of people in their communities.

### **Our Mission:**

CMD mission is committed to service, inspire, empower and work together with affected individuals and communities to create homegrown lasting solutions to underserved communities affected by extreme poverty, illiteracy, hunger and social injustices by enhancing access to equitable relief and development services.
