

ACTION FOR DEVELOPMENT

"Working together to empower communities"

Gudele P.O.BOX 287... Juba, Block 9 Munuki Payam

AFOD South Sudan invites applications from qualified persons for the position of **Nutritionist based Juba** and is a full time position for duration of 12 months (renewable) depending on performance and availability of funds (**Vacancy number:** AFOD-SS-VA/020/2017).

Background: AFOD is a National NGO, supporting Health and Nutrition, WASH (Water, Sanitation and Hygiene), Education & child protection interventions and Sustainable Community livelihoods and rehabilitation and development programs including humanitarian response in South Sudan since 2011. AFOD is currently implementing projects funded by the WFP, UNICEF, HPF and, FAO UNDP in Wau, Terekeka, Nyamuriang, Lol, Jubek and Gbudde states.

Purpose of the position: Under the direct Supervision of Primary Health Care Coordinator, will support implementation of nutrition activities in Jubek State

Core duties and responsibilities

- Support the State Ministry of Health and County Health Department in coordination, planning, implementation, monitoring, data collection and reporting of nutrition activities.
- Participate in planning, assessment, implementation, monitoring and evaluation of nutrition projects, including nutrition surveys, selective feeding programs, and nutrition education projects.
- Under the guidance of the Health and Nutrition Officer, Nutritionist will provide on-going assistance, capacity building and training for beneficiaries, staff and community groups.
- Facilitate programme implementation of nutrition activities by staff, county/state and community groups.
- Conduct frequent field visits, regular feedback from key beneficiaries, state/county authorities including other partners on programme activities.
- Mobilize, screen, identify and treat severe and moderate malnourished children without complications in OTP and SFP
- Provision of Vitamin A, Mebendazole and vaccination of children under five years
- Conduct Health and Nutrition Education on breastfeeding, hygiene and other care practices for the malnourished children
- Support in active screening and referral, defaulter tracing , supervision and monitoring
- Submission of weekly and monthly nutrition reports to the Health and Nutrition Officer for verification and final submission.
- Support the establishment and functionalization of Mother to Mother groups through Infant and Young Child Feeding (IYCF) strategy
- Support proper management of Nutrition supplies, drugs and equipment
- Perform any assignment as required by the supervisor
