**Save the Children**

**External/Internal Job Advertisement  
VA No. SCI25012017**

Save the Children is an international non-governmental organization that works for a future where children, their families and communities realize social equity and dignity; have access to their basic physical, emotional and development needs.

SCI is seeking to recruit:-

**Job Title:** Child Safeguarding Coordinator  
**Location:** Juba.  
**Reports to:** Director of Human Resources & Organizational Development  
**Contract Period:** 6 Months

**JOB PURPOSE:**

Child Safeguarding is an organizational priority as we strive to make Save the Children safe for children.

The Child Safeguarding Coordinator will take a lead in driving our endeavours in this key focused area of work across the country office. He/she will combine elements of capacity building and monitoring whilst enforcing compliance and accountability, management and investigation as well as aspects of advocacy in line with the Child Safeguarding policy.

**KEY AREAS OF RESPONSIBILITY:**

**Key accountabilities include**

Child Safeguarding Leader and Champion across the country program

- Act as an ambassador for Child Safeguarding at all times.
- Role model high levels of professional safeguarding behaviour and maintain the standards required by the Child Safeguarding Policy and Code of Conduct.
- Undertake clear, strong advocacy in line with the Child Safeguarding Policy with all actors.
- Deliver high quality, accessible and reliable technical support, guidance and capacity to emergency/humanitarian response and programs team
- Establish and strengthen Country office child safeguarding networks to champion policy implementation
- Coach and support Focal Points in implementation of their roles and responsibilities.

Country roll-out and maintenance of training programmes

- Deliver a suite of mandatory core training workshops as part of the roll-out to enable staff with key responsibilities to undertake their roles and mainstream safeguarding functions.
- Deliver on-going induction, training and refresher training as appropriate.
- Review and strengthen Child Safeguarding systems within partner agencies, planning and delivering training programs accordingly.

Child Safeguarding Standards are applied throughout the country office

- Coordinate with the National Child safeguarding Coordination committee and monitor the overall implementation of the CSP in the country programme and ensure that the safeguarding mechanisms are in place and are subject to continuous monitoring/review;
- Oversee, monitor and enforce follow-up of policy implementation in order to ensure maximum levels of compliance and competence.
- Identify and utilise opportunities to integrate safeguarding approaches into all aspects of our work.
- Apply critical analysis to ensure that we live up to our commitment to making Save the Children safe for children by:
