All employment in World Vision is conditioned upon successful completion of all applicable background checks, including criminal record checks where possible.

World Vision South Sudan is now seeking for a qualified and dynamic Individuals **(Man or Woman)** who are willing to share in our vision and promise to Children, to join us in the role below:

Job title: ICT Officer
Reporting to: ICT Manager
Location: Malakal, South Sudan
Availability: As soon as possible

Purpose of the position:

Support and maintain the day-to-day operation of WV South Sudan's field-based information and telecommunication systems, through the provision of client-oriented service

- Deployment, maintenance and administration of field-based telecommunications systems and infrastructure (VSATs, Satellite phones, HF and VHF Radio equipment)
- Enforcing telecommunications/security policies and standards in the field
- Establishing a consultative relationship with the Zonal/County Management and the ICT Manager related to provision of ICT services, and ensuring provision of quality and timely ICT support services to the zonal field sites
- In liaison with the National Office:
- Maintenance and repair of field-based IT equipment
- Deployment of client applications to the field users
- Maintenance of the IT assets database for the field sites
- Provide technical advice to the Zonal/County Management and the ICT Manager in decisions relating to the strategic use and implementation of inter-network infrastructure for the field
- Make recommendations to the Zonal/County Management and the ICT Manager on the acquisition of new technologies for the field sites and the deployment of existing ones.
- Providing monthly reports, outlining the achievements for the month (against the planned activities and further against the department's annual operational plan)

Qualifications: Education/Knowledge/Technical Skills and Experience

The following may be acquired through a combination of formal or self-education, prior experience or on-the-job training:

- Bachelor's Degree in Computer Science, Information Technology, Telecommunications or related field.
- Cisco Certified Network Associate
- VSAT
- IBM certified Professional – Lotus Notes/Domino Administrator an added advantage
- Demonstrated Fluency in both written and spoken English
- Thorough knowledge of system and network design, implementation and troubleshooting
- LAN/WAN installation and configuration, Voice (PBX) system and Lotus Notes Server administration
- Experience in implementation of ICT projects
- Good communication skills and articulate both verbally and in writing.
- Good problem solving and analytical skills
- Ability to relate technical issues to a largely non-technical audience
- Ability to function in high security risk situations

World Vision South Sudan is willing to pay a competitive salary and benefits to the right candidate.
