

ICRC

International Committee of the Red Cross
ICRC Compound, Ministries Road, Amarat Juba, South Sudan

JOB ADVERTISEMENT NURSE 2 Based in Akobo

The International Committee of the Red Cross (ICRC) is an impartial, neutral and independent organization whose exclusively humanitarian mission is to protect the lives and dignity of victims of armed conflict and other situations of violence and to provide them with assistance.

The ICRC is mandated to work in countries affected by armed conflict or other situations of violence. The ICRC is present in over 80 countries and has some 13,000 field staff.

In 1986, the ICRC expanded its presence to South Sudan. There are currently more than 700 ICRC staff working in Bentiu, Bor, Equatorial, Juba, Malakal, Rumbek and Wau. The ICRC is looking for an enthusiastic and motivated person for the above mentioned position.

ICRC is an Equal Opportunity Employer giving the highest priority to staff safety and security.

For more information, visit website: <http://www.icrc.org/>

AIM OF THE POSITION

- As an integral part of a multi-disciplinary team, Nurse 2 promotes and ensures the delivery of high-quality patient care aimed at reaching national/international standards depending on the context. S/he works to build capacity in nursing care and infection control in ICRC-assisted or independent hospitals often working with limited resources and in challenging conditions.

Main Duties and Responsibilities:

- Provides high-quality care to admitted patients, following the ICRC's nursing guidelines and in cooperation with other members of the hospital team.
- Participates in delivering a training/coaching programme to measurably improve the quality of patient care.
- Promotes a clean and safe patient environment and ensures that hygiene conditions are regularly measured and maintained in line with ICRC standards.
- Ensures accurate data collection through the timely completion and filing of all patient/hospital-related documents.
- Participates effectively in any emergency-preparedness or response measures undertaken by the team or hospital.
- Cooperates and collaborates with and provides any relevant support to both internal and external counterparts and partners.
- Collects and ensures proper management of information and assists in relevant reporting.
- Makes sure that available resources are used rationally and that supplies are reordered; ensures that equipment is properly used and maintained.
- Ensures that all items required for the nursing care are available.
- To be flexible and perform tasks not covered in this job description.
- Provides the safest possible ward care according to the local capacity and environment.
- Participates, leads and plans trainings for local nurses and staff.
- Ensures the national and ICRC protocols are followed and adapted to the circumstances.
- In conjunction with ICRC Ward Nurse and Operation Theatre nurse, participates in the on-going care plan and follow-up of cases as well as ensure clear handover to local staff.
- Monitors the ongoing needs for stock and utilises Imprest system for reordering
- Attends regular hospital team meetings.
- Provides ward statistics as required and participate in providing information for monthly and quarterly reporting. Maintains admission records of patients as required.

Only short-listed candidates will be contacted. Application files not retained will not be returned.

Education and experience required

- Diploma or degree in Nursing or equivalent experience;
- 3-5 years of experience in humanitarian work / health;
- Good level of written and spoken English and Arabic;
- Nuer language an asset;
- Intermediate level in computer skills (Word, Excel and Power-point);
- Ability to master the following competencies: Representing the ICRC; Adapting & Learning; Communication (ability to express and exchange views and ideas); Analysis & Synthesis
- Understanding of ICRC mandate, International Humanitarian Law, and other humanitarian topics
- Good knowledge of geographically assigned environment (Akobo);
- Willingness to learn and adapt;
