## JOB VACANCIES AT MOTHER TERESA HOSPITAL

18/4/2018

CCM-Comitato Collaborazione Medica is an INGO founded in 1968 in Italy and specialized in the health sector. Its core mission is contributing to the development processes which safeguard and promote the right to health, by acting with an integrated approach on the health needs and by influencing the social-economical determinants. CCM aims at improving health conditions of the population in low-income countries and intervenes through projects of international cooperation, education to the world citizenship, advocacy activities and interventions of health promotion in the context of migration processes.

In Warrap states, CCM in partnership with World Vision is implementing HPF2 project Lot 9 and Mother Teresa is the only hospital handling BEMONC and CEMONC as a referral Hospital in Twic state. HPF 2 project Lot 9 is a 13 months project that started in Feb 2017 up to Feb 2018 with an anticipated br extension to September 2018.

To ensure smooth implementation of primary healthcare and nutrition services in Twic state, CCM intend to recruit qualified personnel to fill below position:
