

ICRC

International Committee of the Red Cross
ICRC Compound, Ministries Road, Amarat Juba, South Sudan

JOB ADVERTISEMENT
TECHNICAL WORKER (WELDER)
Based in Juba

The International Committee of the Red Cross (ICRC) is an impartial, neutral and independent organization whose exclusively humanitarian mission is to protect the lives and dignity of victims of armed conflict and other situations of violence and to provide them with assistance.

The ICRC is mandated to work in countries affected by armed conflict or other situations of violence. The ICRC is present in over 80 countries and has some 13,000 field staff.

In 1986, the ICRC expanded its presence to South Sudan. There are more than 700 ICRC staff working in Juba, Bentiu, Malakal, Rumbek and Wau. The ICRC is looking for an enthusiastic and motivated person for the above position.

ICRC is Equal Opportunity Employer giving highest priority to staff safety and security.

For more information, visit website: <http://www.icrc.org/>

AIM OF THE POSITION

Designs, fabricates, joins, and repairs equipment, fixtures, and structures by using various welding techniques. Welders are called upon to lift and carry heavy objects, and work under conditions of restricted movement, a dirty environment, air contamination, intense noise, and hazardous materials.

Main Duties and Responsibilities:

- Set up welding machines based on the job at hand or using a Welding Procedure Specification
- Read and interpret blueprints and/or drawings to determine the specific welding requirements
- Weld steel, aluminum and stainless steel components based on the specifications of the blueprints and/or drawings
- Ensure work is done safely and meets quality standards.
- Follow, create and help maintain Welding Procedure Specifications
- Operate machinery used in the production process, or assist machine operators.
- Assemble items as instructed by supervisor
- Keep work areas clean and organized and take proper care of all equipment and facilities.
- Follow all ICRC rules and policies
- Provide a great level of attention to detail and focus on the given task.
- Follow all safety rules and quality standards
- Work with team members to maximize productivity and efficiency
- Lift raw materials, final products, and items packed for shipment, manually or using a hoist
- Assists other department if needed
- Ability to stand continuously for long periods of time

Minimum required knowledge & experience:

- High school level or professional school of similar degree
- 5 years' work experience in similar field, certification is an upset
- Experience with steel, aluminum and/or stainless steel required
- Driving license for at least 5 years
- Excellent knowledge of the geographically assigned environment
- Good command of written and spoken English
- Very good organizational and communication skills

Only short-listed candidates will be contacted. Application files not retained will not be returned.

- Must be reliable with a strong work ethic
