

VACANCY ANNOUNCEMENT – External

Position: **Medical Doctor Nutrition**
Location: **Yei – South Sudan**

Grade: **5.7**
Duration: **Till 31st Dec 2017 with possibility of extension**

DUTIES AND RESPONSIBILITIES

ACROSS is looking for a suitably qualified candidate for the position of **Medical Doctor Nutrition**. The incumbent will be based in Yei Civil hospital Stabilization Center and involved in the day to day running of the newly formed Stabilization Centre supported by ACROSS with funds from UNICEF. He will be the key focal point and leader of the nutrition team in Yei and will perform managerial duties as needed. He will be responsible for nutrition related interventions as assigned by the nutrition coordinator.

Main duties shall include;

1. Provide consultations to patients attending the Stabilization centre including examination, diagnosis and prescription of medications.
2. Supervise, monitor and provide technical support for the activities of other technical health and nutrition staffs, support staffs and community nutrition volunteers.
3. Ensure that standard treatment and feeding protocols are adhered and that strict admission and discharge criteria are followed.
4. Oversee outreach activities to areas within the operation catchments
5. Organise and initiate health and nutrition education in schools and communities around Yei, including
6. Respond programmatically to special healthcare interventions for emergencies and disease outbreaks as measles and cholera, malaria, TB within the catchments areas
7. Collect, register and maintain nutrition information systems (NIS) on activities from records and reports, select and enter data from various departments and institutionalize necessary measures for the medical program
8. Maintain excellent relations and communications with ACROSS staff, partners and patients as well as the local authorities
9. To be accountable, give feedback and appropriate information regarding the requested or ongoing tasks to the person or department, for the duties and performances he/she is carrying out for them.
10. Reports to the Nutrition Coordinator at Juba, and Program Manager at Yei.
11. May be required to carry out specific administrative operations and other related duties by management
