

**BUILDING FLOURISHING COMMUNITIES**

**VACANCY**

**RE-ADVERTISEMENT ANNOUNCEMENT**

**1. Introduction**

Cordaid is a Dutch, international non-governmental organization which combines 100 years of experience and expertise in emergency aid and structural poverty eradication. Cordaid believes in a world without poverty and exclusion. We strive for a just and sustainable society where every person counts. We stand for knowledge and talent sharing between North and South, between farmers and businesses, between activists and policymakers. Where poverty, conflict and exclusion tear up societies, we connect people and communities. We also stand for professionalism, expertise and solidarity across borders, to make a difference where it is most needed. Together with more than 600 partner organizations in Africa, Asia, the Middle East and Latin America we structurally improve the living conditions of the poorest and most excluded populations - the bottom billion.

Cordaid has been active in South Sudan for more than 20 years, with a strong focus on civil society capacity-building. Currently it has programmes in the area of emergency response, DRR, health, food security, extractives, security & justice, women leadership and investments. Cordaid is active in seven States in South Sudan. Presently, Cordaid is expanding its Programme in different parts of the country. For that purpose additional technical capacity is required. Cordaid is therefore currently looking Medical Specialists; Surgery, Pediatrics and internal medicine to be based in Torit Eastern Equatoria State.
