#### 16. TERMINATION

16.1 Either party may terminate this Contract for cause, in whole or in part, upon thirty (30) days notice, in writing, to the other party. The initiation of arbitral proceedings in accordance with Article 21 "Settlement of Disputes" below shall not be deemed a termination of this Contract.

16.2 The DRC may terminate forthwith this Contract at any time should the mandate or the funding of the DRC be curtailed or terminated, in which case the Contractor shall be reimbursed by the DRC for all reasonable costs incurred by the Contractor prior to receipt of the notice of termination.

17.2 In the event of and as soon as possible and no later than one (1) week after the occurrence of any cause constituting Force Majeure, the Contractor shall give notice and full particulars in writing to the DRC, of such occurrence or change if the Contractor is thereby rendered unable, wholly or in part, to perform its obligations and meet its responsibilities under this Contract. The Contractor shall also notify the DRC of any other changes in conditions or the occurrence of any event that interferes or threatens to interfere with its performance of this Contract. On receipt of the notice required under this Article, the DRC shall take such action as, at its sole discretion, it considers to be appropriate or necessary in the circumstances, including the granting to the Contractor of a reasonable extension of time in which to perform its obligations under this Contract.

17.4 Notwithstanding anything to the contrary in this Contract, the Contractor recognizes that the work and services may be performed under harsh or hostile conditions caused by civil unrest. Consequently, delays or failure to perform caused by events arising out of, or in connection with, such civil unrest shall not, in itself, constitute Force Majeure under this contract.
