

## **CLINICAL OFFICER (3 POSTS)**

BACKGROUND: LiveWell South Sudan Organization (LiveWell) is a National Healthcare Organization founded by a group of medical doctors and public health experts on 21<sup>st</sup> July, 2016. It's fully registered with RRC, implementing integrated Health, WASH, Nutrition, and Protection in Central Equatoria State, Lakes States and Jebel Boma in Jonglei State. With the support from SSHF/UNDP, LiveWell South Sudan is currently looking for a suitable candidate to fill the position of Clinical Officer (3 posts) in Yirol East, Lakes State.

LABOUR, PUBLIC

LENGTH OF CONTRACT: 6 Months (1st August, 2017)

LOCATION: Yirol East, Lakes State, South Sudan

LINE OF REPORT: Health Manager

**START DATE**: Immediate

JOB SUMMARY: The Clinical Officer will ensure delivery of quality Case Management of Cholera by providing technical support to health facility teams in assessing, diagnosting & and managing cholera patients based on WHO/MOH Cholera Treatment Guidelines/Protocols

Key Duties and Responsibilities:

- Support the ORP facility-based technical team to ensure timely delivery of health care services on key project tasks.
- Support mentorship and training efforts to build capacity of ORP facility teams (Nurses, Sprayers, Cleaners, Guards and CHWs) to deliver quality case management of Cholera.
- Provide clinical care to cholera patients attending LiveWell/CHF-supported ORP health facilities in line with standard care and treatment guidelines.
- Support appropriate referral and management of Severe patients through liaison with Adior Hospital, Nyang CHD and other CUAMM-supported health facilities that have a capacity to manage severe cases of cholera outbreak (CTC/CTUs)
- Support performance monitoring & evaluation, and routine data use activities at LiveWell/CHF-supported ORP facilities to guide implementation of project activities.
- Support the Hygiene promoters, community health workers, community health promoters to identify, implement and document continuous quality improvement activities along client care and treatment cascades.
- Coordinate and support ORP facility efforts in follow up of cases admitted to improve linkage, discharge, referral and follow-up
- Support ORP facilities to compile and submit accurate Web-based cholera Line-list and programmatic reports according to EPR, Health Cluster, project, donor and Ministry of Health timelines.
- Timely request of ORP supplies (Cholera beds, infection control supplies, diarrheal kits etc.) and laboratory supplies (carry blairs, stool containers, RDTs, gloves, applicator sticks, cool boxes to preserve the stool sample).
- Ensure timely collection of stool samples for confirmatory test (Culture and sensitivity), routine RDTs, and daily line-list updates.
- Carry out any other duties as may reasonably be assigned from time to time by the line supervisor, field officer, and program director.

## Qualifications, Skills and Experience:

- Preferably hold a Diploma in Clinical medicine and community health from recognized University
- South Sudanese National ONLY, and broader knowledge of the local area.
