

Request for Applications to support primary health care services

IMA World Health is requesting applications from national and international NGOs for primary health care services in seven specified health facilities in Maiwut State for the World Bank funded primary health care project in the Greater Upper Nile region. IMA is offering a contract through Sept 30th 2018 with possible extensions, contingent on funding and performance.

Interested organizations will be asked to provide support to the designated PHCUs and PHCC in the county as well as support for the County Health Department. Preference will be given to national and international health NGOs with experience in primary health care services, past work experience in South Sudan (preferably in Maiwut State), and cost effective approaches.

The successful applicant will need to affirm ability to access and support the following health facilities:

Sn	Facility Name	Level
1	Jotome	PHCU
2	Ulung	PHCU
3	Jekou	PHCU
4	Malek	PHCU
5	Wunkir	PHCU
6	Pinthor	PHCU
7	Pagak	PHCC

Please contact Rebecca Waugh at IMA Office in Juba, RebeccaWaugh@imaworldhealth.org, for a copy of the SOW, contract ceiling, and guidelines. Deadline for submission is **Friday, July 6th, by 5pm**. All applications must be hand delivered to the IMA Juba Office.
