Terre des hommes (Tdh) is a Swiss Non-Governmental Organization working for the benefits of mother and children for the past 55 years. The Foundation is Switzerland's largest humanitarian organization giving assistance to children and now works in more than 45 countries worldwide. Following the current South Sudan political and economic crisis, Tdh is implementing humanitarian activities in South Sudan since 2014, supporting the population with Food Security, Nutrition, Health, WASH and Child Protection in Yei River State and in Juba.

Key Activities/Responsibilities

As an educator, the post holder will teach children in the targeted schools and communities how to improve hygiene and prevent illness using the Participatory Hygiene and Sanitation Transformation (PHAST/CHAST/TSA) methodologies and other approaches relevant to the local context.

As agent of change; the post holder will help children in schools, their families and community members change their knowledge, attitudes and practice so that they lead more hygienic lives

- Prompt safe hygienic practises, including appropriate use and maintenance of WASH facilities and services in targeted schools and communities using effective approaches (PHAST/CHAST/TSA and others).
- **Provide reusable sanitary pad making training for school girls**
- **Promote MHM (Menstrual Hygiene Management) to school girls**
- Employ appropriate community participation techniques in the delivery of essential hygiene services
- Integrate hygiene promotion activities with other aspects of WASH
- Carry out hygiene campaigns on designated days
- Adhere to the project implementation plan
- Participate in the assessments to obtain information on the current knowledge awareness and practices of the beneficiary communities
- Participate in planning and design of hygiene promotion services
- Carry out the distribution of IEC materials also the collection of data for post-distribution monitoring (Pre-Post KAP surveys).

- Together with community members, monitor hygiene activities in the community, e.g. monitoring behaviour change, access to water & sanitation, disease trends etc.

Job Purpose

- To coordinate closely with the WASH Officer in developing community and school hygiene promotion and MHM (menstrual hygiene management for girls) interventions among the host communities of Yei River State.
- To take forward relationships with key stakeholders and counterpart departments in Yei River State
- To capture learning from this work and feed that back into the wider organisations for future adaptation.

Profile and Experience

- At least University/College Diploma or Degree in Public Health or Nursing with a good grade and a relevant WORK EXPERIENCE in the same field (Compulsory)
- Both mentally and physically fit, committed and dedicated to workload with vigilant, integrity and honesty.
- Previous experience working with an international NGO would be an asset
- South Sudanese national identity card is necessarily required.
- To understand, accept and respect all Tdh's regulations and Child Safeguarding Policy
- To report any lateness or absence of work immediately to immediate line manager of the post holder with clear reasons
- To respect diversity and establish a good working relationship with all Tdh staff members and beneficiaries
- To follow instructions given to the post holder by immediate line manager
- To ensure co-operation and unity within the team
- To be flexible and carry out any other duties, as these may change according to the needs of the targeted schools and communities
- Good communication abilities and skills in the country's official languages such as Juba Arabic and English in WRITING, REPORTING, SPEAKING and comprehension.
- To be familiar with Microsoft Office applications (Word, Excel, Outlook and PPT)

Abuse Prevention Policy (CPP) - Operational Risk Management

- Commit to respect Tdh Risk Management Policies including: Child Safeguarding Policy, Safety and Security Policy and Anti-Fraud/Corruption Policy, Whistle Blowing Policy
- Commit to ensure the best implementation possible of the Tdh Risk Management Policies in Irak

Child Safeguarding Policy

The post holder will sign and comply with Tdh's Child Safeguarding Policy (CSP) and its code of conduct at all times. An example of exemplary professionalism will be set with regards to child care, child rights and child protection and prevention of child abuse in the field

SUBMISSION OF APPLICATIONS

Please indicate the vacancy position announced in the subject line on the sealed envelope and submit an updated CV in English with a Cover letter with your intent to apply for the job, copies of certified academic and Professional qualifications and other relevant documents before 6nd February 2019 to Tdh Yei Office located inside ECS Guesthouse, Old Mission Road, Yei by the closing date.

Interviews and tests will be conducted in Tdh Yei office.
We do appreciate your interest to work with us however, only shortlisted candidates whose application responds to the above criteria will be called for an interview and a written test. At least two Professional references are required.

N.B: No application will be accepted after the stated deadline and all submitted applications are not returnable So do not submit original documents.

Qualified female candidates are highly encouraged to apply.

Warm regards,
Admin Manager – Terre de hommes Yei.
