### Introduction

Save Lives Initiative South Sudan (SLI – SS) is a non-profit, non-government humanitarian organization committed to saving and improving lives of people less privileged in the Republic of South Sudan, through participation and empowerment. It was established in Yei County, former Central Equatoria State currently known as Yei River State and was registered in 2011 under the Southern Sudan NGO Registration Act 2003 and NGO Act 2016 respectively (Reg. 718). As from formation, SLI – SS have grown into a vibrant organisation working with a range of people across multiple sectors/clusters. SLI - SS implements programmes in various sectors, providing to the needs of vulnerable communities. The organization believes that there is no simple solution to eradicate poverty. As such, in order to overcome poverty, it is necessary to address the range of issues that poor people face on a daily basis. Tackling issues in an integrated, sustainable manner, SLI – SS aimed at improving quality of life of most vulnerable people of different communities in the Republic of South Sudan.

After a successful years implementing Mine/ERW Risk Education activities for schools and communities in South Sudan, SLI – SS is currently seeking two (02) professional individual to serve as MRE Project Officers as a mobile team for a Six-months period from December 2017 to end of May 2018 with an opportunity of contract extension once funding allows and the individual has proved their capability.

The MRE Project Officer will be properly trained to ensure the quality of the job done.
