

COMPANY PROFILE

2016 - 2017

Imani Holdings Ltd was established in 2016 It was registered and incorporated in accordance with South Sudan Companies Act, (2012) to legally operate business in South Sudan.

The Company's main areas of business activities are in general Supplies, Fuel and Petroleum Products, Construction materials, Food & non food items, General printing Car hire, Generators, Gardening tools, Seeds & seedlings.

Everything we do is geared towards ensuring that we remain the step forward in offering transport services, constructor, supplier, distributor, employer, and a reliable partner of choice.

We are constantly evolving in order to become more flexible in our operations, more creative in our commercial offerings, more sustainable in our use of resources, more innovative in conducting our national (South Sudan) and regional and beyond business, and more efficient in our capital allocation.

We foster long-term customer relationships by providing them with reliable, high-quality service and consistent product quality. We constantly adapt to our customers' needs through innovative products, providing them with solutions for the challenges they face in their specific market and business climate.

Our Mission

- 1 Develop products that meet customer satisfaction in every market
- 2 Develop long term relationship with customers.
- 3 Produce locally in markets with high potential to offer better service level to customers.
- 4 Gain and maintain leadership positions in relevant markets and segments.
- 5 Capitalize on attractkting and retaining the best staff and experts in our field.
- 6 Promoting growth and a challenging and safe work environment.

Our Vision

“To be a professionally managed, profitable selfsustaining and socially responsible enterprise providing customer tailored products, services and project management solutions at a simplified one-source point”
