

Subject: Internews Request for Quotes Maintenance Generator Genuine Service Parts Juba Office

Internews Network is an international humanitarian organization whose mission is to empower local media worldwide to give people the news and information they need, the ability to connect, and the means to make their voices heard. Internews is funded by USAID and has been working in South Sudan since 2008 to establish community radio stations across the country. We also implement other activities across the sector, including actively working to meet the critical information needs of the South Sudanese communities.

Internews is currently requesting reliable Generator Companies for Provision /Supply of Services Parts for Juba Office under the Utilities Category as Below.
