Touch Africa Development organization (TADO) is a NNGO non-political, non-profitable organization, fully registered under the South Sudan Humanitarian **Act of 2003**, with RRC Reg **No 240**, to respond to emergency and developmental needs for South Sudan people in order to sustain and strengthen the humanitarian interventions through Health and Nutrition, Food security and Livelihoods, Education in Emergency ,WASH,NFI/Shelter, Protection subsectors e.g. GBV/child protection, Peace Building and conflict Management and Governance

TADO is managed by independent non-partisan professionals who have a wealth/extensive experience practically & technically on various fields of humanitarian sectors and community development projects as they have special training skills among the sectors of humanitarian interventions, e.g. Human rights, child protection and capacity building programs.

TADO is currently going to Participate in Implementation of a Consortium programme in Nutrition Entitled **"ROLL BACK MALNUTRITION"** a training programme for Nutritionist Assistant **"with Specific objective "**To build the capacities of nutritionist in enhancing them to deliver services to the community, promote practices and knowledge to prevent and eradicate Malnutrition in Eastern Equatoria, Ikotos County of South Sudan.

PRIMARY PURPOSE OF THE POSITION

Working under the supervision of the Health and Nutrition Manager, the nutritionist will be responsible for training of nutrition assistants in Ikotos County. He/She will also be responsible for any other nutritional activities as may be assigned by the team leader in the training center or the immediate supervisor.

KEY RESPONSIBILITIES

- Ensure that the training of the nutrition assistant is carried out in a professional way and as per the curriculum.
- Ensure that all nutrition activities are implemented according the project proposal and Log frame.
- Take initiative to enhance capacities of nutritionist actors in the project zone
- Follow-up closely in the village to ensure proper implementation of the project activities
- Play a leadership role in fight malnutrition and improving response to malnutrition in the project zone
- The nutritionist commits to adhere to TADO internal policies and procedures

Other responsibilities

- Conduct training of nutrition assistants.
- Conduct nutrition screening and children in need of nutrition interventions.
- Conduct health education on nutrition, promotion of proper feeding techniques and good hygiene practices in the hospital and in the community.
- Participate in the production and distribution of weaning products (soya milk,) and other nutrition supplements
- Organize and support nutrition education sessions.
- Participate in making nutrition related calendar events.
- Organize and conduct trainings for growth monitoring volunteers and lead mothers
- Monitor the work of the growth monitoring volunteers and provide support
- Follow-up regularly on the work of the lead mothers in the villages.
- Conduct on job training for the team on use of nutrition data tools.
- Liaise with the Ministry of Health and other institutions and organisation working on malnutrition in the State.
- Compile all the nutrition weekly, monthly, and reports for project.
- Generate weekly and monthly report which will include the challenges, best practise, lesson learnt and way forward.
- Execute other tasks related to his/her background and assigned by the supervisor but not specified under key tasks and responsibilities.
- Follow and respect office guidelines, rules and regulations and to foster organisational goals by being on time for duty and showing respect for organisational principles and guidelines.

REQUIRED QUALIFICATIONS

- Should be a nutritionist with at least a Degree in Nutrition.
- Should have at least 2 years' experience and having a training background will be an added advantage.
- Should be able to work under minimum supervision in a hard to reach area.
- Should be computer literate with knowledge in Microsoft word, excel and PowerPoint.
- Should be a team player having good communication and interpersonal skills
- Should be fluent in both written and spoken English and Arabic
- Should be a South Sudanese by Nationality

HOW TO APPLY

Qualified and interested candidates should send their application letter, CV with at least three referees and copies of academic documents to tadohrjuba@gmail.com or drop their application forms to TADO head office in Munuki Block A off Bilpham Road opposite Mobilli Petrol Station, Juba South Sudan not later than 24th September, 2018 at 5.00 pm local time.

NB: TADO retains copies of application papers at the end of the recruitment process and therefore only copies of your academic documents and other testimonials should be submitted. Due to the urgency of the position, applications will be reviewed on regular basis and the position may be filled before the end of the expiry date of the advert. Only short listed candidates will be conducted for interviews.

Women candidates are encouraged to apply.
