

Subject: Internews South Sudan request for Services in Wau.

Internews Network is an international humanitarian organization whose mission is to empower local media worldwide to give people the news and information they need, the ability to connect, and the means to make their voices heard. Internews is funded by USAID and has been working in South Sudan since 2008 to establish community radio stations across the country. We also implement other activities across the sector, including actively working to meet the critical information needs of the South Sudanese communities.
