Re: Expression of Interest for Supply of Food Items in North Mangalla

The Agency for Cooperation and Research in Development (ACORD) has been operational in South Sudan since the 1970s; implementing both humanitarian and development programmes.

ACORD South Sudan recently submitted a proposal to its donor HEKs to support humanitarian intervention in North Mangalla, Terekeka State.

ACORD therefore wishes to invite expression of interest from qualified and interested vendors/companies who will be considered for potential supply of food items. Potential vendors must note that supply of food items will be subject to project funding approval by the donor.

The project will support 852 IDP households in North Mangala Payam/County, Terekeka State through distribution of assorted food stuffs for a period of 4 months beginning around September 2017. The food distribution will be done every 2 months. The supplier will purchase the items using the HEKS/EPER and ACORD procurement procedures. The food items will be packed, labeled as per the agreed qualities and quantities by ACORD and donor. The packed food items have to be delivered at a designated place in Terekeka town and hand over to ACORD authorities before final payment is made.
