Location of Position:	Central Unity State (Leer/Nyal)
Position Reports to:	Medical Coordinator
Position Opened for:	South Sudanese only
Desired Start Date:	ASAP
Closing Date for Applications:	16 January, 2017

Organizational Background

International Medical Corps is a global, humanitarian, nonprofit organization dedicated to saving lives and relieving suffering through health care training and relief and development programs. Established in 1984 by volunteer doctors and nurses, International Medical Corps is a private, voluntary, nonpolitical, nonsectarian organization. Its mission is to improve the quality of life through health interventions and related activities that build local capacity in underserved communities worldwide. By offering training and health care to local populations and medical assistance to people at highest risk, and with the flexibility to respond rapidly to emergency situations, International Medical Corps rehabilitates devastated health care systems and helps bring them back to self-reliance.

Essential Job duties / Scope of Work

- Manage all activities of the Mobile Medical Unit
- Provide treatment in accordance with MOH/WHO therapeutic guidelines.
- Refer patients timely for advanced management.
- Facilitate staff in data consolidation, ensure the validity and submit weekly and monthly reports in time.
- Organize, conduct meetings with Community Health Workers, prepare plan of action and make follow ups
- Attend coordination meetings with partners, local authorities or community leaders as needed.
