

Academy for professional development

Who we are:

The Academy for Professional Development Ltd is a private company founded by business partners from South Sudan and the Netherlands, resided in Hai Malakal, Juba. The educational approach of the Academy is based on Competency Based Education and Training (CBET); a student centered, practical oriented, hands-on approach. Check our website: <http://www.aforpd.education>

What we do:

We provide short-term training courses and Tailor Made Training courses to teachers, instructors, trainers, facilitators and management staff from South Sudan. The Academy also provide consultancy services for organizations who work in the field of Technical Vocational Education and Training (TVET).

We are looking for:

A junior trainer who is capable to train professionals from different backgrounds and educational levels based on their training needs.

Qualifications required

- A bachelor's degree or higher in one of the following fields: educational sciences, human resources, organizational management, business administration, etc.
- Passing English competency examination is mandatory for applicants who do not have a university degree.
- Sound experience in training/teaching and working experience in the specific field.

Technical skills required

- Know how to use audiovisual technological devices (e.g. beamer)
- Know how to implement interactive learning methodologies
- Able to work with Microsoft Office programs (Excel, Power Point), Dropbox

Experience

A minimum of 2 years work experience in teaching on secondary education level or higher educational level. Working experience in Technical and Vocational Education and Training is seen as an advantage. A minimum of 2 years work experience in his/her field of expertise. Experience in teaching adults

Main responsibilities

- Develop training/courses -in collaboration within the team of trainers
- Apply interactive teaching methodologies: a student centered, practical oriented, hands-on educational approach
- Develop assessments and/or examination

Working conditions

The work is mainly carried out at the HQ in Juba but possibly also on location (in company).
