

**Internews Network
INTERN Job Description**

Position: **IT INTERN**
Reports to: **IT Manager**
Location: **Juba, South Sudan**
Date Advertised: **March 15, 2019**
Deadline: **April 05, 2019**

BACKGROUND

Internews is an International media development organization based in Acrata, CA and Washington, DC whose mission is to empower local media worldwide to give people the news and information they need, the ability to connect and the means to make their voices heard.

Internews has been working in South Sudan since 2006 to establish community radio stations across the country, and to train South Sudanese Journalists to operate them. We also implement other activities across the sector, including actively working to meet the critical information needs of the South Sudanese communities who have been impacted by the recent conflict.
