

TENDER NOTICE

Malaria Consortium is one of the world's leading non-profit organizations dedicated to the comprehensive control of malaria and other communicable diseases in Africa and Southeast Asia. Malaria Consortium works with communities, government and non-government agencies, academic institutions, and local and international organizations, to ensure good evidence supports delivery of effective services, providing technical support for monitoring and evaluation of programmes and activities for evidence-based decision-making and strategic planning. The organization works to improve not only the health of the individual, but also the capacity of national health systems, which helps relieve poverty and support improved economic prosperity.

Malaria Consortium South Sudan's Aweil Office is inviting interested vendors to submit tenders for the below:

- **Provision transport services for the transportation of 736,450 mosquito nets from Aweil Counties to 215 Bomas across Aweil East, Aweil West Aweil South Aweil north and Aweil Centre Counties.**

Detailed technical specifications are included in the tender documents.
