Position: Deputy Country Representative
Location: Juba
Reports to: Country Representative
Opening date: 22nd-November 2017
Closing Date: 11th-December 2017

Who we are

We're Population Services International (PSI) South Sudan, one of the East African Region's leading non-profit social marketing organization. We work to ensure that people of South Sudan have access to health care products.

There over 9000 "PSI'ers" around the world and 60 plus in South Sudan. We are a diverse group of professionals with wide ranging backgrounds in law, marketing, public health with a mix of non-profit and profit sector experience. Regardless of our background, we bring a common passion and commitment to go beyond the call of duty to serve the people of South Sudan.

PSI began operations in Southern Sudan in January 2005, distributing Long-Lasting Insecticide-Treated Nets (LLIN) through the commercial sector and implementing behavior change communication on HIV/AIDS. Over the years, PSI has continued its presence and expanded operations to include a comprehensive hygiene, sanitation and safe water program.

In 2009, PSI started a Home Management of Malaria (HMM) program for children under five years old. Since then, HMM has evolved into a broader Integrated Community Case Management (ICCM) program with the addition of pneumonia, diarrhea and acute malnutrition interventions.

Responsibilities

Responsible for deputizing the Country Representative in the overall development, management (financial, administrative, and programmatic), and representation of PSI's activities in South Sudan This includes, but is not limited to:

- Leadership of a senior management team including departmental heads of teams responsible for: the PSI integrated Community Case Management for Malaria, Management Information system and Closing of the Loop for inventory, business operations and office and facilities;
- Directly manage the platform human resource department
- Oversight of PSI Sub recipient projects in platform portfolio, including achievements of program deliverables and targets and budget management for both Program and Other Direct Costs
- Development of annual performance and operational plans together with longer-term strategic plans;
