

## Job Advertisement

### Nutrition Officer; Emergency Response Team (ERT)

**Location:** Working in all the States within the Republic of South Sudan

**Reporting to:** Nutrition Manager

**Job Purpose:** To facilitate achievement of the nutrition objectives to reduce morbidity and mortality through provision of essential emergency nutrition services in any of the states of South Sudan.

#### Key Responsibilities

- Participate in rapid nutrition assessments and multi-sectorial emergency assessments
- Participate in implementation of CMAM program including TSFP, OTP, SC, IYCF and the community component.
- Provide on-the-job training following national and international guidelines to local recruited nutrition staff in emergency interventions, MoH and other nutrition partners
- Train, supervise and assist with screening for malnutrition in children (6-59months) and pregnant lactating women, as needed.
- Assist in supervising locally recruited staff working at nutrition facilities.
- Supervise established nutrition facilities.
- Continuously monitor progress against set objectives.
- Ensure all nutrition activities and reporting is done according to the relevant guidelines and is reported accurately
- Attend nutrition meeting at field implementation level as requested.
- Assist in preparing field orders for approval by the Nutrition Manager/Nutrition Project Manager.
- Help ensure adequate nutrition stocks are available at all times for patient load.
- Follow Medair procedures regarding purchases and expenses

#### Person Specifications

- At least a Diploma in Nutrition, Health or Public health
- At least two years post-qualification work experience
- Knowledge of Emergency Nutrition Programming
- Experience in CMAM programming
- Previous training and experience in IYCF activities
- Good English; speaking and writing skills
- Fluent in spoken Arabic (Juba or classical)
- Good interpersonal communication
- Basic knowledge of MS word, MS Excel and E-mail

**Application deadline:** 1<sup>st</sup> November 2016.
