International Committee of the Red Cross
ICRC Compound, Ministries Road, Amarat Juba, South Sudan

**JOB ADVERTISEMENT
FIRST AID AND PRE-HOSPITAL CARE FIELD OFFICER
Temporarily based in Juba / 70% field-based**

The International Committee of the Red Cross (ICRC), an impartial, neutral and independent organisation striving to protect and assist the victims of war and internal violence, has been working in South Sudan since 1986. The ICRC is looking for an enthusiastic and motivated person for the above position working for Bentiu Sub delegation and temporarily based in Juba until the reopening of the Sub Delegation office in Bentiu town.

The position requires frequent travel to the field to Northern Liech/Southern Liech/Ruweng State.

Objectives of the function

The First Aid and Prehospital Care Field Officer contributes to implementing, running and monitoring the first aid and prehospital emergency programme(s), in cooperation with the health team, according to the objectives set out in the annual plan, for Former Unity State.

The Field Officer works under the supervision of the Health Delegate of Bentiu Sub-Delegation.

Main Duties and Responsibilities:

- Implements the health programme(s) in former Unity State.
- Conducts field assessments and regular field visits to monitor activities and first aid-/pre-hospital- related threats to the population, and facilitates field trips and communication with the local population/ victims/beneficiaries.
- Strengthens local emergency preparedness and emergency response capacities.
- Facilitates communication with first aid and emergency medical care providers and takes part in analysing the overall emergency care system (including coping mechanisms and resources).
- Ensures proper management of information collected, produces the subsequent reports and contributes to monitoring and evaluation.
- Interprets at meetings and translates documents into Arabic and local languages.
- Supports creation and implementation of reference documents and guidelines and/or other reference materials (on education, operations).
- Carries out logistical tasks in respect of first aid and pre-hospital emergency medical items and organizes distribution to beneficiaries and/or contacts in the field when required.
- Liaises and builds networks with local stakeholders to facilitate communication and coordination of activities.

Minimum Required Skills and Qualifications:

- Degree in medicine or nursing.
- Fluent in English and preferably Arabic. Speaking Nuer and Dinka an asset.
- 2 to 3 years' work experience in first aid and pre-hospital emergency medical care, preferably with South Sudan registration.
- Technical experience in training/capacity building.
- Good knowledge of the assigned geographic area: former Unity State.
- First Aid knowledge with a valid First Aid certificate.

Other assets are:

- Very good interpersonal, communication and presentation skills.
- Ability to create a focused learning environment at all levels regardless of the audience.
- Good level of computer applications, especially Word, Excel and Power-point.
- Ability to collect and compile data, and write reports.

Interested candidates should submit their application clearly marked "**First Aid Field Officer– Bentiu SD**" (including C.V. written in English and copies of certificates) at latest **Wednesday, 21st February 2018** to the HR/Administrator.

either At the ICRC reception : **Juba, Bentiu, Wau, Mankien, Pariang, Leer, Ganyiel, Bor, Rumbek**
or By email to : **jub_recruitment_services@icrc.org**

Only short-listed candidates will be contacted. Application files not retained will not be returned.
