**Deadline for submission of applications:** 25th May 2018 no later than 2:00PM

VSF Germany is an international Non Governmental Organization providing humanitarian aid and development assistance to pastoralists and vulnerable communities in areas where livestock is of importance. In the region, VSF Germany works in South Sudan, Kenya, Somalia, Sudan and Ethiopia supporting animal health, agriculture, marketing and food safety but also with developing capacity of communities and governmental institutions or initiating peace and conflict resolution. We work towards food security and strengthened livelihoods of pastoralist communities.

VSF Germany implements animal health interventions in the region that require support to Community base Animal Health Services with veterinary pharmaceuticals. VSF Germany intends to pre-qualify vendors for supply of veterinary pharmaceutical to various programs in the region - ongoing, planned and future programs.

Pre-selection will include vendor Evaluation, Due Diligence & Vetting, and Approval. Pre-selected suppliers are more likely to be contacted when VSFG requests quotations or issue a “Restricted Tender”, but it does not mean they will necessarily work with VSF Germany.

VSF Germany herefore invites interested and eligible vendors to submit their applications. Requirements for submission are available in the Pre-Qualification Document. Interested applicants may obtain the Pre-Qualification Document on request through [admin\\_hr@vsfg.org](mailto:admin_hr@vsfg.org) or downloads from the media.
