JOB ADVERTISEMENT
NURSE
Based in Ganyiel

The International Committee of the Red Cross (ICRC), an impartial, neutral and independent organisation striving to protect and assist the victims of war and internal violence, has been working in South Sudan since 1986. The ICRC is looking for an enthusiastic and motivated person for the above-mentioned position working in Ganyiel, ICRC Sub-Delegation Bentiu.

Objectives of the function

The Nurse provides quality holistic care to the patients in the hospital program in Ganyiel, focusing on Weapon Wounded patients, and ensures close monitoring and timely reporting of changes in their condition. S/he participates as a member of the patient-care team in planning and implementing quality holistic patient care.

The Nurse works under the supervision of the Head Nurse.

Main Duties and Responsibilities:

- Provide adequate pre and post-operative care, in accordance with the internationally/ICRC recognized standards.
- Convey information on patient care to Nurse 2 through the established reporting mechanism.
- Show awareness of patients' changing needs and adapts the planned care accordingly in cooperation with the patient-care team.
- Ensure appropriate communication with and a caring approach towards patients and those accompanying them.
- Organise and ensure that all items required for the ICRC pre and post-operative care and nursing care are available in the hospital.
- Adhere to and use personal protective equipment provided.
- Perform the safest possible ward care according to the local capacity and environment.
- Ensure the ICRC principles for post-operative nursing care of the Weapon Wounded and possible other surgical cases are followed and adapted to the circumstances.
- In conjunction with ICRC Head Nurse, participate in the follow-up of patients, on-going care plan and the daily briefing of/ handover to hospital staff on specialities/ changes.
- With the head nurse, monitors the ongoing needs for stock and utilises Imprest system for reordering
- Attend regular hospital team meetings.
- Assist the head nurse in the training of the hospital nursing staff.
- Assist the head nurse in the maintenance of proper hygiene in the hospital.
- Provide ward statistics as required and participate in providing information for monthly and quarterly reporting.
- Maintain admission records of patients as required.
- Respect patient confidentiality in conversations and handling of documents

Minimum Required Skills and Qualifications:

- Recognized certificate in nursing with a confirmed post-qualification experience;
- Confirmed track record of providing professional patient care;
- Confirmed experience in humanitarian work in the health domain;
- Previous clinical experience;
- Good level of written and spoken English, and Nuer; Arabic is a strong asset.
- Intermediate level in computer skills (Word, Excel and Power-point);
- Good knowledge of geographically assigned environment (South Sudan and Panyijar county in particular).
- Understanding of and motivation for ICRC's mandate.

Interested candidates should submit their application clearly marked "Nurse – Ganyiel" (including C.V. written in English and copies of certificates) at latest **8th March 2018** to the **HR/Administrator**.

either At the ICRC reception : **Juba, Bentiu, Leer, Ganyiel, Wau, Bor and Rumbek**
or By email to : **jub_recruitment_services@icrc.org**

Only short-listed candidates will be contacted. Application files not retained will not be returned.
