Duration	: Twelve (12) months
Eligibility	: This position is for South Sudanese nationals only
Anticipated Start Date	: January 2022
Advert Closing Date	: 30 th December 2021, 5:00 pm

BACKGROUND OF ACCESS FOR HUMANITY

Access for Humanity (AFH) is a national non-profit making, humanitarian, and developmental organization, fully registered under the laws of the Republic of South Sudan.

The mission of AFH is to see well-informed communities that are free from health-related issues, free from food insecurity, where there is social justice and gender equity, where women are empowered and women's and children's rights are protected, where everyone live in peace and coherence with one another in a sustainable environment, and where humanitarian crises are prevented and/or challenged.

AFH is serving the most disadvantaged communities of the Republic of South Sudan; that are living in the remotest areas of the country. Since early 2018, Access for Humanity is implementing and coordinating Routine Immunization (RI) and Polio Surveillance strengthening activities in over 32 counties in the Greater Upper Nile region of the Republic of South Sudan.

GENERAL OVERVIEW OF THE POSITION

Under direction of the County Health Department and the overall guidance of AFH administrator and the direct supervision of the AFH Project Manager (RI & CBS) and the AFH Project Coordinators (CBS & RI), the County RI Supervisor provides direct support for strengthening of routine immunization in Ayod County in Jonglei state of the Greater Upper Nile (GUN) Region, South Sudan

The County RI Supervisor works under guidance and supervision of the AFH Project Coordinator and Project Manager and works closely with the County Health Department, other county authorities, health implementing partners in the Ayod and other AFH partners to provide support to all RI strengthening activities in the County.

REQUIRED PROFILE, EXPERIENCE AND SKILLS

- Any certificate of relevance to the position's requirements
- At least two years documented experience in RI service delivery
- Ability to plan and organize work activities and prioritize task completion according to schedules
- Ability to communicate effectively and to deal politely with the public
- A thorough knowledge of general nursing/community health/public health practice with experience in routine vaccination
- Ability to conduct individual and public teaching/education and counselling
- Thorough familiarity with word processing, spreadsheet, and project scheduling applications
- Ability to work effectively as a team member and independently
- Ability to manage multiple priorities under pressure, trouble-shoot, and to meet short- and long-term deadlines
- Demonstrated experience in budget and financial management
- Excellent written and verbal communication skills
- Excellent critical and creative thinking and analytical skills
- Experience in program administration, operating procedures, oversight and monitoring
- Strong interpersonal skills and demonstrated ability to establish effective working relations with staff, beneficiaries and other stake holders
- Demonstrate ability to liaise with multiple UN, other NGO, Governmental, and other private sector
- Ability and capacity to mentor and train subordinates or other personnel
- Capacity to work in any environment and to adapt to basic living condition
