Introduction

Cordaid is a Dutch, international non-governmental organization which combines 100 years of experience and expertise in emergency aid and structural poverty eradication. Cordaid believes in a world without poverty and exclusion. We strive for a just and sustainable society where every person counts. We stand for knowledge and talent sharing between North and South, between farmers and businesses, between activists and policymakers. Where poverty, conflict and exclusion tear up societies, we connect people and communities. We also stand for professionalism, expertise and solidarity across borders, to make a difference where it is most needed. Together with more than 600 partner organizations in Africa, Asia, the Middle East and Latin America we structurally improve the living conditions of the poorest and most excluded populations - the bottom billion.

Cordaid has been active in South Sudan for more than 20 years, with a strong focus on civil society capacity-building. Currently it has programs in the area of Emergency Response, DRR, Health, Food Security, Security & Justice, Women Leadership and Investments.

Presently, Cordaid is expanding its program in different parts of the country. For that purpose, additional capacity is required. Therefore, Cordaid South Sudan would like to recruit for the position of **Hospital Nursing Officer** as detailed below.

Position: Hospital Nursing Officer

Based Location: Bentiu State Hospital

Number of positions: One

Reporting Line:

Hospital Nursing Officer reports to the Area Coordinator.

KEY RESPONSIBILITY

- Responsible for planning, organizing, and directing the overall operations of Nursing/Patient Care Services (i.e., Medical, Surgical, Pediatrics, Maternity OPD and OT).
- Maintains performance improvement activities within the department and participates in quality improvement activities.
- Assures competency of all nursing personnel.
- Maintains efficient and effective departmental operations while required compliance with all South Sudan ministry of health standards, and protocols.
- Organizes, directs, and administers the Nursing/Patient Care Services in order to provide the level of care required by current medical and nursing standards.
- Maintains continuing quality assessment and improvement analysis and evaluation of patient care delivery and communicates with Administration on the activities/issues of Nursing/Patient Care Services.
- Plans and recommends to Area Coordinator new equipment, or modification thereto, needed to provide patient care.
- Recommends, supports, and participates in education services, programs of education, and training.
- Maintains close coordination with all departments to ensure continuity and collaboration of services.
- Ensures that cordial relationships are maintained with patients, their families, and friends.
- Participates in policy decisions that affect Nursing/Patient Care Services in the hospital.
- Participates in the Hospital Administrative meetings, departmental meetings, and Medical Staff Meetings.
- Responsible for the implementation, monitoring and evaluation of performance improvement and QoC of hospital.
- Assures Nursing Leadership support for staff by always maintaining a Nursing Administration Call rotation.
- Perform other duties as assigned
