### Job Advertisement

#### SSHARP ARVs Dispenser

**Position Title:** SSHARP ARVs Dispenser  
**Location:** Juba Teaching Hospital  
**Reports:** ART Clinician  
**Deadline:** 16<sup>th</sup> November 2023

#### ABOUT CMMB

Catholic Medical Mission Board (CMMB) is an international developmental organization that believes in a world in which every human life is valued, and health and human dignity are shared by all. We believe that access to quality healthcare is a basic human right. For nearly 110 years, we have worked with global partners to deliver locally sustainable, quality healthcare solutions to women, children, and their communities. For further information on CMMB South Sudan, visit our webpage at [www.cmmb.org](http://www.cmmb.org).

CMMB has been working in South Sudan for over a decade providing a package of integrated health services to vulnerable populations through its Children And Mothers Partnerships (CHAMPS) program. CHAMPS focuses on redressing issues that affect the health and wellbeing of mothers, children and newborns. CMMB supports the Ministry of Health (MOH), working with other health partners, to provide a continuum of care through integrated health services (MNCH, nutrition, WASH, Child Protection and GBV) and health infrastructure strengthening at the community, facility, County and State levels. CMMB also supports Health Information System strengthening through accurate and timely electronic systems, reproducing, and disseminating health registers and training of SMOH data clerks.

#### JOB SUMMARY:

- To strengthen the provision of quality HIV care and treatment services including differentiated antiretroviral refill.

#### KEY RESPONSIBILITIES:

- The dispenser is responsible to ensure uninterrupted supply of HIV commodities in the facility of assignment.
- Monitor stock of commodities in the facility and put timely orders from the central warehouse.
- Ensure stock monitoring tools are complete and updated in the facility.
- Ensure all HIV commodities are kept in clean, orderly, and safe condition.
- Document all commodity movements and information related to dispensing.
- Work with the rest of the clinical team to triage stable clients for differentiated ART refill.

- Work with satellite sites and community outreach workers to facilitate community ART refill services.
- Performs any other related duties that may be assigned by the supervisor.

#### **QUALIFICATIONS & EXPERIENCE:**

- A Certificate or Diploma in a pharmacy or nursing qualification with at least five years prior work experience in a clinical or healthcare setting.
- Experience working with an INGO required.
- Excellent communications and interpersonal skills, both written and verbal.
- Familiarity with project indicators, quantitative and qualitative data to monitor overall project performance.
- Must be customer service oriented and prepared to liaise with facility staff, patients, their families, and other care providers.
- Extremely organized and detail oriented
- Any other duties assigned to you by CMMB or Supervisor

#### **Languages:**

- Excellent command of written and spoken English
- Fluent spoken Juba Arabic

#### **How to Apply:**

Interested applicants should submit their application together with resume/CV including telephone and email contacts of three (3) referees as well as your daytime telephone/cell phone contact number to [CMMBSouthSudanjobs@cmmb.org](mailto:CMMBSouthSudanjobs@cmmb.org) indicating the position and location you have applied for on the subject line of your email.

Please note:

1. Deadline for receiving application for this position is the 16<sup>th</sup> November 2023
2. CMMB South Sudan promotes gender equality and encourages qualified female candidates to apply.
3. Only short-listed candidates will be contacted for assessments.
