TAX TRAINING SEMINAR ON FINANCIAL ACT 2022/2023 AND TAXATION ACT 2009, REVISED EDITION 2022

About Us

MIT Partners is a professional services firm providing Auditing, Accounting, Advisory and Tax consultancy services. We serve clients across the Great Lakes Region of Africa with offices in Juba, Kampala and Kigali

The Training

The Financial Act 2022/2023 and Taxation Act 2009 Revised Edition 2022 introduced major changes in Personal Income Tax (PIT), Business Profit Tax (BPT), Withholding Tax on rentals, Sale and Excise Tax and other changes. These Changes were due for operationalization by the National Revenue Authority effective 15 November 2022

Purpose of Training Seminar

The purpose of this seminar is to disseminate the scope of this changes and demonstrate the application and its impact on your organisations' tax liabilities to the government for compliancy.

Target Participants

We invite any person involved in Tax management of any Organisation (NGO's, Companies etc.) operating in South Sudan. These includes Finance staff, Human resources management staff, Auditors, business owners.

Cost of Seminar

Training fee is USD 150 per person.

For Any Organisation nominating two or more participants shall pay discounted fee of USD 100 per participant
