

REAL MEDICINE FOUNDATION (RMF)

Vacancy Announcements

Overview/Profile

Real Medicine Foundation (RMF) is a US based non-profit public charity 501(c) (3), headquartered in Los Angeles, California, with branches in the UK and Germany, and with offices and partners all over the world.

The Real Medicine Foundation South Sudan office works in close collaboration with the Ministry of Health, Republic of South Sudan and the United Nations Children’s Fund (UNICEF) and World Food Program implementing health and nutrition programs. RMF would like to recruit a Nutrition program manager to oversee the ongoing nutrition project.

Applicants should be in alignment with Real Medicine Foundation’s values of Respect and Dignity, its vision of ‘Liberating Human Potential’ and ‘Empowering Local Leadership’, and its mission of providing humanitarian support to people living in disaster and poverty-stricken areas, focusing on the person as a whole.

| DUTY STATION | Juba with frequent travel to field |
| REPORTS TO | Country Director |
| DATE OF POSTING | 5 July, 2019 |

Position Overview

The Nutrition Program Manager will oversee directly manage and implement the RMF Emergency Nutrition Response Program in South Sudan. She/he will contribute to the identification of programmatic priorities through assessments and actively oversees the planning, programming, implementation and monitoring of this program in South Sudan. She/he undertakes extended field visits to support implementation, and to evaluate and improve the project. The Nutrition Program Manager also provides input for the country operations plan (including budgets, staffing levels and structures) as well as prepares inputs for funding submissions, appeals and reports. He/she will ensure the compliance of all nutrition staff with RMF values of 'Dignity and Respect' and 'Liberating Human Potential' while maintaining high standards of confidentiality and discretion, courtesy and integrity, sense of responsibility, and excellent knowledge of protocols. The Nutrition Program Manager is expected to demonstrate courtesy and ability to work with people of numerous different national and cultural backgrounds, and will ensure this courtesy and inclusion is implemented and demonstrated by all program staff.

Key Responsibilities:

- Perform and oversee the day-to-day management responsibilities as Nutrition Manager for the Project.
 - Provide a day-to-day leadership presence for RMF Emergency Nutrition Response Program in South Sudan.
 - Cultivate the values of RMF within the program and its staffs.
 - Provide support and leadership to the RMF Emergency Nutrition Response Program team based in the fields (implementation sites).
- Manage and evaluate the recruited/hired staff for the Program.
- Ensure that the UNICEF/WFP Implementing Partner (IP) agreements are established in a timely manner, regularly monitored and reported on in compliance with established guidelines and procedures.
- Through a consultative process within the country team and field visits within the operation areas, assist in the developments of strategies, methodologies, contingency plans that respond to new and emerging operational challenges.
- Guide and train RMF staffs on national MoH policy and procedures.
- Provide inputs for the country operations plan (including budgets, staffing levels and structures) as well as prepare funding submissions, appeals and regular reports to Donors and RMF headquarters.
- Lobby for additional resources and negotiate future Implementing Partners agreements.

- Work closely with the RMF country management Team and other key project staff to ensure the smooth running of field operations and ensure the safety and security of field-based project staff.
- Manage, oversee and evaluate the Program's field-based nutrition staff while maintaining constructive relations with health and nutrition partner staff, including MoH staff.
- Troubleshoot problems quickly and make design changes for improving project results.
- Represent RMF at Nutrition Cluster meetings.
- Represent RMF at any mandatory Donor IP meetings and other required meetings.
- Undertake frequent, extended field visits to oversee, manage, evaluate and improve the planning, programming, implementation and monitoring of the RMF Emergency Nutrition Response Program.
- Assist in the management of the nutrition supply pipeline to ensure nutrition facilities are well equipped and stocked.
- Apply UNICEF'S corporate tools to record data and assess data and assess the technical soundness of the operation and generate data for evidence-based decisions at regional and country level.
- Prepare quality monthly/quarterly program progress reports.
- Undertake/participate in liaison, coordination, and information sharing activities with national NGOs, international organizations, donors and government.
- Fundraising –
 - Support RMF's fundraising actions by maintaining regular contact with donor representatives and by preparing and submitting project funding submissions and appeals.
 - Connect and if appropriate, meet with current and prospective contributors and investors based in South Sudan, and attract funding, such as grants, contributions and sponsorships to RMF's work.
 - Support and oversee administrative aspects including proposal preparation and grant writing.

Minimum qualifications and professional experience required:

- Education: University Degree in Nutrition or Human Medicine.
- Excellent inter-personal, communications and representative skills (written, oral, cross-cultural).
- Ability to work with multi-cultural teams.

- Skills in training and management.
- Ability to manage own work.
- Flexibility and ability to work under pressure.
- Job experience: Minimum of 3-5 years of relevant experience.
- Experience in implementing UNICEF/WFP nutrition programs.
- Experience in conducting nutrition assessments including SMART Survey.
- Languages: Excellent knowledge of English and good working knowledge of one or more local languages, Arabic is an added advantage.

Application process

Interested candidates (**South Sudanese Nationals only**) who meet the requirements should send their application letter and non-refundable copy of CVs, National IDs and Academic Documents together with the names of three referees via email to: Jobs@realmedicinefoundation.org or hand delivery to RMF inside Juba teaching Hospital and addressed to Admin Real Medicine foundation-Juba South Sudan.

Clearly write the position on the envelop.

Note, application via email are encouraged and interviews will be conducted as we receive due to the urgency of the position

Closing date of receiving application: **16:00 South Sudan Time on 24th July, 2019.**
