

Youth Basic Education Coordinator - USAID-Youth Empowerment Activity (YEA)

Position Location: South Sudan

Project Name: USAID Youth Empowerment Activity

Anticipated Start Date: ASAP

EDUCATION DEVELOPMENT CENTER (EDC)

Education Development Center (EDC) is a global nonprofit organization that advances lasting solutions to improve education, promote health, and expand economic opportunity, with a focus on vulnerable and under-served populations. Since 1958, we have been a leader in designing, implementing, and evaluating powerful and innovative programs in more than 80 countries around the world.

EDC promotes equity and access to high quality education and health services and products that contribute to thriving communities where people from diverse backgrounds learn, live, and work together. We support an inclusive workplace culture that embraces many perspectives and broadens our understanding of the communities we serve, enhancing and enriching our work.

EDC is committed to equity, diversity, and inclusion in the workplace.

We are looking for candidates who share EDC's commitment and understand the importance of cultural responsiveness in today's context.

Project Description

The USAID South Sudan Youth Empowerment Activity supports South Sudanese youth and communities to develop, promote and strengthen the skills and assets of youth, and to create an enabling environment for the youth to be productive and positively contribute to their communities. The purpose of this activity is to support and empower at-risk out-of-school youth ages 15-29 with focus on developing the basic education and foundational skills of youth, strengthening employment skills for improved livelihoods, and supporting the creation of an enabling environment for improved youth productivity. Gain the necessary skills they need to lead productive lives, gain employment, and positively contribute to their communities with the following intended results:

- Improved youth access to functional literacy, numeracy, soft and life skills
- Increase youth entrepreneurial, employment, and vocational opportunities.
- Increase behavior changes among youth to make positive adolescent reproductive health choices.
- Improve social cohesion among youth and their communities.

USAID/South Sudan also envisions that Youth Empowerment Activity will adapt and/or pilot a Youth Corps Service model as a modality to creatively achieve the activity's stated goal and integrated objectives. Unemployed South Sudanese youth who are graduates from high school and universities, and non-graduates of exceptional demonstrated ability, will be mobilized, trained, coached, and mentored to become

Youth Corps Service members. They will deliver specific Youth Empowerment Activity - prescribed activities to disadvantaged targeted youth beneficiaries and their communities.

The activity will help leverage youth for the youth's benefit, build a sense of belonging and solidarity, and help to promote peace. The Activity is implemented through a consortium led by EDC and comprised of at least 7 national and international NGOs. It supports service delivery via over 100 community-based organizations and entities.

Job Description

The Youth Basic Education Coordinator will work as part of a senior team on the anticipated USAID-Youth Empowerment Activity Central Equatoria project in Juba - South Sudan that will seek to increase economic self-reliance for youth in South Sudan leading to increased incomes.

S/he will provide oversight of key activities related to Youth Basic Education. The Youth Basic Education Coordinator's management and technical knowledge will ensure the delivery of high-quality programming. The Youth Basic Education Coordinator will provide programmatic and technical support to activities that engage South Sudan youth in learning and empowerment opportunities, prepare pathways to future work and community leadership, and strengthen youth-serving organizations as well as government agency collaboration.

The Youth Basic Education Coordinator will work closely with the training and Basic Education specialists alongside support of the Deputy Chief of Party to oversee all programmatic aspects, ensuring that the training objectives and strategy are met on time and within annual plan.

The USAID Youth Empowerment Activity will support two pathways of youth-**Youth Basic Education and Youth Literacy & Numeracy**. Youths will receive Basic Education and literacy and numeracy training. This will provide out-of-school youth with foundational Basic Education and literacy and numeracy skills essential for everyday life and necessary to re-enter the formal school system, access technical skills training, improve livelihood opportunities and engagement in the world of work, or start their businesses. Youth Basic Education curriculum targets youth aged 15-29 who had attended a certain level of education, know how to read, and write in English to undergo Youth Empowerment Activity trainings on work ready Now (WRN) and be your own Boss (BYOB) to realize their potential.

Key roles and responsibilities.

- To Strengthen the capacity of national and local youth-led and youth-serving organizations to support greater youth-responsive services in CES, Juba County in selected Payams and boma levels.
