WATSAN SUPERVISOR

Duty station: **UNITY STATE/RUBKONA (with frequent travel to Project locations)**

Number of positions: One (1)

Date Issued: 22/02/2024

Category: National Staff Posting

I. Presentation of organisation:

SOLIDARITES INTERNATIONAL is an international humanitarian organization which provides aid and assistance to victims of war or natural disaster. For over 40 years in actions have focussed on meeting three vital needs: water, food and shelter. Solidarites International has been present in South Sudan since October 2006 and the mission currently consists of both emergency and post emergency programs.

Goal / Purpose:

- The Water and Sanitation (WATSAN) supervisor is responsible for management and supervision of construction, rehabilitating/drilling of boreholes or water points system in health/nutrition facilities and communities.

II. Responsibilities and Tasks:

Evaluation of the humanitarian situation:

- Analyse the humanitarian situation taking into account the protection problems / Do No Harm policy for the population
- Assess needs regarding water and sanitation and fulfil the assessment form
- In collaboration/coordination with MEAL organize assessment to collect data (focus group, frequentation surveys, technical assessment...)

Activity relevance, quality and creation

- Participate to the technical design of water supply and sanitation facilities
- Implement activities in accordance with the Activity Manager/Program Manager guidance
- Supervise and monitor each stage of activity. Ensure that standards and instructions given by Program Manager as well as Solidarités procedures, are followed.

Operational implementation and monitoring

- Participate to the design of water supply, sanitation and hygiene facilities.
- Monitor all steps for construction / rehabilitation and activities related (water points, toilets, handwashing stations)
- Train and mobilize the community members, especially for the water management committees and the different groups mobilized under this project;
- Anticipate all the construction defects for the safety and dignity of users.

HR Management

- Plan daily workers needs for activity implementation in liaison with the line manager and ensure the recruitment, the technical follow up, the training and the supervision.
- Manage, if necessary, team of daily workers for onsite works
- Provide regular feedback to daily workers regarding the quality of the work implemented.

Communication / representation

- Listen and report feedbacks and complaints from the different groups of the communities to the Accountability officer and/or the Activity Manager/Program Manager;
- Ensure that the communities are strongly consulted and involved all along the project
- Community Action Plans.
- Collaborate with local administration and authorities.
- Establish and maintain good relations with local participants and communities (populations) in the operational fields

The list here above is not exhaustive, and you could be requested to perform other tasks according to the need of your line manager.

III. Preferred Skills:

- Diploma in or Degree in Water Engineering or relevant field,
- At least 24 months' working experience in extensive technical water point rehabilitation, Hygiene promotion, Emergency intervention, etc.
- Experience in humanitarian assessment and M&E is mandatory,
- Ability to organize theoretical and practical training sessions,
- Experience in team management and work planification;
- Good knowledge and experience of working with local communities, authorities and partner agencies mandatory,
- Good level of English (both written and spoken), Arabic mandatory
- Possess ability of oral and written report communications,
- Computer skills and knowledge of Microsoft programs (especially Word and Excel) is mandatory,

Line manager: Deputy Program Manager

Contract: fixed-term contract of 6 months' subject to funding.

Working hours: From Monday to Friday 7:30-4:30PM. As an executive job, some flexibility can be expected from the employee.

Basic salary : according to SI salary scale
