PLAN INTERNATIONAL SOUTH SUDAN JOB ADVERTISEMENT

Plan International (PI), is an independent global child right organization – without religious, political or governmental affiliation that has been operating in South Sudan since 2006.

Plan recognizes that the geographical context and recent history have left the communities of South Sudan highly vulnerable to emergencies from political and inter-ethnic conflicts, influx of returnees, food insecurity, long dry spells and floods. Cognizant of the need Plan is implementing emergency and recovery response in six states of South Sudan, namely Central Equatorial, Eastern Equatorial, Western Equatorial, Lakes, Upper Nile and Jonglei. Program includes food assistance, agricultural rehabilitation, Food Security and Livelihood, Education in Emergencies and Child Protection in Emergencies. Plan International also works with both International and Local partners.

In order to enhance its response program, Plan South Sudan is seeking to recruit a qualified South Sudanese for the position of Sexual Reproductive Health Rights Program Manager– Based in Juba”.

No. of Vacancies (1)

Job Title:	Sexual Reproductive Health Rights Programme Manager (SRHR Manager)
Tenure	12 Months (With Possibility of Extension)
Grade	D2
Department	Programs
Reports to	Director for Program Development and Advocacy
Location	Juba

Purpose of the Role:

The SRHR programme Manager will provide technical guidance and support to Plan International’s South Sudan Country Sexual Reproductive health rights programme teams to develop, implement, monitor and evaluate SRHR programs. You will be responsible for assessment, design, implementation, monitoring, and evaluation of SRHR programming for both humanitarian, development and peace building. You will ensure that all work has a strong gender focus and that SRHR interventions are linked in to longer term programming in order to guarantee maximum impact in line with Plan International’s Global Strategy. In addition, the post holder will also play an integral role in coordination and resource mobilization and building capacity of local staff and partners through providing training, coaching and mentorship. On a wider scale, you will also play a key role in influencing, supporting the Country office to build best practice case studies and documenting learning and evidence against global policy and advocacy objectives. The post holder will provide leadership and strategic direction for Plan’s programs in Adolescent Sexual reproductive health as well as lead engagement with donors and governments to address child early and forced marriages (CEFM), sexual and gender based violence (SGBV) and comprehensive sexuality education (CSE).

“Plan International Strives for a just World that advances children’s rights and equality for girls in line with Plan’s safeguarding Children and Young People Policy Commitment”

Dimensions of Role:

Programme Development;

- Support in the Plan International South Sudan Country Strategy Development - specifically on Sexual reproductive health rights.
- Periodic review SRHR Programme and project interventions and achievements in South Sudan and adjusting implementation plans accordingly with coordination with Project Managers and MEAL specialist.
- Ensure high quality SHHR delivery by Country teams that have direct positive impact on children and their families.
- Ensure quality SRHR proposal development that will attract funding by donors and National Offices.
- Ensure integration of SRHR within other sectors or portfolios such as Education, protection, GBV, Nutrition and Food Security in order to maintain the profile of the organization as a strong empowerment actor.

Technical Support and Capacity Building ;

- Provide technical support to the country-based SRHR and SGBV teams in the field, with a big focus on the job mentoring and coaching to the field teams and technical supervision.
- Capacity building of Plan staff and volunteers SRHR technical areas such as SGBV, Early and forced marriage and comprehensive sexuality education.
- Development of training packages and delivery of trainings, development and monitoring of individual capacity building plans,
- Development and ensuring use of standardized SRHR tools and promote use of standard resources (such as the Core Humanitarian Standards) to ensure quality.
- Support SRH national level program activities that will spark accelerated progress towards the review of the policy and guidelines.
- Support the subnational county level implementation of activities to support the provision of quality services and strategic information, including assisting in the stakeholder engagement up to community level for SRH towards a revised SRH policy and guidelines
- Participate as needed on high priority activities for SRH program, including but not limited to data analysis and interpretation, health care worker training, program performance reviews, etc
- Facilitate other aspects of SRH program at national level based on needs. May include facilitating relationships, issue-specific problem solving, escalating questions to the national level, developing project management solutions to SRH program challenges, enabling stakeholder collaboration, coordination/follow up of agreed action points etc.
- Contribute to writing proposals and concept notes.

Monitoring and Evaluation;

- Updating current household surveys and economic assessment and/or leading new SRHR needs assessment as appropriate.
- Knowledge management and documentation of lessons learned related to SRHR and SGBV programming.
- Identify and manage the project risks and timely escalate these risks to the Programme director, PIAMs and CMT as per the reporting protocol
- Coordinate and provide assurance over the development and maintenance of project plans
- Coordinate, manage and track project milestones and implementation of activities as indicated in the work plan and alert management of any deviations from project plans.

“Plan International strives for a just World that advances children’s rights and equality for girls in line with Plan’s safeguarding Children and Young People Policy Commitment”

Representation ;

- Close collaboration with, representation and support to South Sudan National Health Cluster and other relevant ASRH coordination groups.
- Ensure Plan International South Sudan visibility at the field level through the SRHR Coordinators and PIAMs.
- Ensure monthly reporting to the health Sub-Cluster and Participate in Technical Working Groups, maintaining communication and feedback loops on all substantive work in regards to the PI programmes.
- Participate in and stakeholder meetings related to ASRH at national level.
- Support and participate in the regional and Global ASRH stakeholder meetings related to SRHR Build collaborative relationships between ASRH activities with the broader country programmes and PI areas of global distinctiveness.
- Look for synergies among partners and push for effective interactions (partner meetings, national strategy sessions and workshops, state-level work, etc.)

Finance and Budget Management;

- Monitor budget and ensure adequate burn rate for SHRH projects as per the quarterly budget plans in close coordination with the Project Managers
- Ensure timely review of the BVA on a monthly basis and feedback to the finance team.

Reporting;

- Ensure timely and quality preparation or review of all SRHR donor and National Offices narrative reports in close collaboration with the Project Managers and Business Development Department.

Safeguarding Commitments:

- Commit and contribute to an environment where children and adult program participants feel respected, supported, safe and protected;
- Never act or behave in a manner that results in violence including SHEA against a child, young person or adult or places them at risk of such violence;
- Be aware of and adhere to the provisions of the Safeguarding Policy, PSHEA Policy and COC of Plan International;
- Report and respond to safeguarding and SHEA concerns and breaches in line with the applicable procedures of Plan International;
- Maintain confidentiality of safeguarding and PSHEA concerns reported;
- Never participate in or support child marriages.

Dealing with Problems/Risks

Complexity of problems handled & the degree of investigation, analysis, & creative thinking required to solve them

- Facilitating cordial relationships with and among various stakeholders from a variety of backgrounds.
- Handling conflicting priorities and ad-hoc requests from various stakeholders in the best interest of the organisation.
- Given the wide scope of responsibility and limited resources, it is essential that the post holder is able to effectively manage a variety of tasks and clearly identify priorities.
- Creativity in developing strong partnerships and in making use of internal and external resources.
