TENDER NOTICE Supply of Food Items.

SOS Children's Villages in South Sudan was established in 2002 and is an affiliate member of SOS Children's Villages International—a global federation of 137 national associations united by a common mission: to ensure that every child grows up with love, respect, and security. We operate as an independent, non-governmental social development organization, working to support children who are orphaned, abandoned, or whose families are unable to care for them. Our approach is family-based and child-focused, providing children with a stable, caring environment where they can build lasting relationships and reach their full potential.
