Oxfam

External Advert

Oxfam is a global movement of people working together to end the injustice of poverty.

That means we tackle the inequality that keeps people poor. Together we save, protect and rebuild lives. When disaster strikes, we help people build better lives for themselves, and for others. We take on issues like saving lives, governance and peace building, education, land rights and discrimination against women. And we won't stop until every person on the planet can enjoy life free from poverty.

We are an international confederation of 19 organizations (affiliates) working together with partners and local communities in the areas of humanitarian, development and campaigning, in more than 90 countries.

All our work is led by three core values: Empowerment, Accountability, Inclusiveness. To read more about our values please click [here](#)

The Role

Oxfam has been working in South Sudan since 1983. Our Programmatic Strategy concentrates on saving lives, Resilient Livelihoods, Advancing Gender Justice and Good Governance and Active Citizenship through a full spectrum platform that includes humanitarian response, recovery and resilience, long term development and policy and advocacy. Oxfam currently operates via seven area field offices in South Sudan. (It also works in partnership with several national organisations and community groups.

Position: MEAL Officer
Reports to: Programme Manager
Location: Pibor
Contract Type: Fixed Term
Number of post: 1

RESPONSIBILITIES

KEY RESPONSIBILITIES:

1. Operationalising Monitoring and Evaluation
 - Support project operationalisation of the MEAL Framework and MEAL Plan.
 - Strengthen Project Team understanding of MEAL systems and processes to assure achievement and progress towards project objectives and outcomes.
 - Ensure that Project is implemented in accordance with Oxfam program standards, and Oxfam's Programming tools and approaches.

- Ensure that project data collection and management methodologies used at field level are standardised, enabling the specific vulnerabilities of different target groups to be captured and analysed.
 - Support programme team in partner reviews processes and reporting
 - Support programme around designing and development of processes and initiatives to support strategic planning, project development, evaluation and learning as required
2. Capacity Building and learning
 - Offer ongoing support to Project Team and partners in understanding Oxfam MEAL Standards and practices
 - Take lead in facilitating development of partners capacity building and risk management plans
 - Work with Project Team and Media and Communications Office to identify areas of learning and ensure learning systems are in place.
 3. Social Accountability
 - Ensure that all project staff at all levels fully understand and promote accountability in general and to children, through training and coaching and enhancing adherence to the HAP (put in full) standard.
 - Ensure a proper complaints mechanism is in place and that all project stakeholders are sensitised on how to use the complaints mechanism
 - Ensure that there is not any form of exploitation and discrimination (based on any grounds) of project beneficiaries always during the lifespan of the project.
 - Develop and report against accountability and participation-related indicators and issues
 - Facilitating information sharing with key stakeholders, including partners and beneficiaries, and promote transparency throughout all stages of implementation.
 4. Data Management
 - Support, develop and maintain up to date MEAL framework, plans and Indicator tracking tables in line with Oxfam MEAL framework and plans.
 - Support Project Team in the development of standard data collection tools and protocols at each level of project information flow/data flow chart.
 - Support updating of data as guided by project and program indicators periodically

• SKILLS AND COMPETENCIES

Essential

- At least 3-5 years' experience in project monitoring, evaluation and reporting at officer position with reputable I/NGO and UN agency
- A relevant degree in Economic, social science or a related discipline, with good understanding of Education, WASH, EFSL, Peace Building and governance programme implementation and implementing MEAL activities for related activities
- Experience of working closely with local partners including local authorities
- Good assessment and analytical skills and practical experience or data collection analysis and interpretation
- Sensitivity to cultural difference and the ability to work in a wide variety of cultural context
- Ability to work well under pressure and in response to changing needs

Essential

- Fluent local language skills

- Experience working for a humanitarian organization
- Excellent computer and database management skills
- Excellent communication skills and ability to communicate by phone
- Excellent English writing and critical thinking skills
- Team player who can develop strong collaborative relations across the organization and with partner organization

Desired

- Willingness to travel to field location
- Experience interviewing beneficiaries in field research
