**TENDER NOTICE
 SUPPLY OF ASSORTED ITEMS**

SOS Children's Villages in South Sudan was established in 2002 and is an affiliate member of SOS Children's Villages International a global federation of 137 national associations united by a common mission: to ensure that every child grows up with love, respect, and security. We operate as an independent, non-governmental social development organization, working to support children who are orphaned, abandoned, or whose families are unable to care for them. Our approach is family-based and child-focused, providing children with a stable, caring environment where they can build lasting relationships and reach their full potential.
