INGO Overview:

OVCI- la Nostra Famiglia is an Italian International Organization focused on enhancement of health, living condition and rights of children and adults with disability.

In South Sudan, OVCI has been present in South Sudan since 1983 to carry out basic health, education and rehabilitation activities for people with disabilities, with a special focus on the age of development.

OVCI in South Sudan is committed in:

1. Rehabilitation services through the management of a Rehabilitation Centre, an Orthopaedic Workshop and the promotion of surgical interventions in Uganda for children with disabilities.

2. Primary Care Health services, through the management of a PHCC, excellence in the treatment of epilepsy, and a nutritional programme for ante-natal and post-natal care.
3. Community-based Inclusive Development (CBID) program aimed at enhancing inclusivity of children and adults with disabilities in the South Sudanese society.
4. Inclusive Education program, through a pre-school for children with impairments and activities targeting public schools.
5. University services development, by collaborating in the management of the degree course in Rehabilitation Sciences at St. Mary's College

Project description:

OVCI - la Nostra Famiglia has been granted by Christian Blind Mission (CBM) Germany to implement a 48 months development project with the overall goal of contributing to strengthening the access to quality inclusive education and to rehabilitation services for people with disabilities in Juba City Council. The project includes many activities embracing every aspect of people with disability's lives. In fact, this project is designed on a Community Based Inclusive (CBID) approach, which is a strategy to improve the quality of life of Persons with Disability. The CBID is designed on the Human Rights model of disability which, according to UN Convention for the Rights of Persons with Disabilities (CRPD), has to promote a life as equal citizens in the community, to have access to health services, participate in educational programs, and enjoy social, cultural, religious, economic and political activities to every person or child with disability.

Description of tasks and duties:

The nurse is a member of the mobile healthcare team who aims, together with other medical and non-medical personnel, to overcome physical dysfunction, and return the individual to, or maintain the individual as an active member of the community. The nurse provides medical nursing care to children and adult with disability target of the projects in the field, in Juba City Council Area.

The main task of the Nurse will be:

1. Keep good and accurate hygiene;
2. Organize workloads;
3. Carry out routine investigation and care procedure;
4. Respond quickly to emergencies;
5. Demonstrate verbal/written communication skills;
6. Attending meeting programmed by the management
7. Any other assignment given by the management

Candidate profile:

- Certificated qualifications in health studies (copy of original qualification);
- At least 2 years of previous demonstrated experience in the role;
- South Sudanese nationality
- Birth certificate copy
- Recommendation letter from previous employer

- Precise and active worker, able to follow given disposition;
- Timely and motivated worker;
- Proficient in spoken English and Juba Arabic;
- Demonstrated capacity to successfully work in team;

How to submit your application:

Applicants can submit their application in an envelope directly at OVCI South Sudan Office (Usratuna Compound, Hai Commercial, Juba) or via e-mail at pm-educbid.ssd@ovci.org. Subject on the envelope or in the email has to be "Nurse – 4301 MYP Project".

Deadline for applicants: 12/09/2022 at 4.00 PM

ELENA RONCORONI
OVCI Deputy Country Representative

Only short-listed candidates will be contacted for an interview.

Qualified persons with disabilities are encouraged to apply. Please note that this is a local post and is open to all nationalities but preference is given to qualified South Sudanese nationals.
