Logistics Coordinator
Based in Nyamlel, NBeG State

Announcement date: **7.04.2026**

Closing date: **24.04.2026**

Contract duration: 8 months, three months' probation period with possibility of extension depending on funding and performance.

Salary grade: 6

Background:

Welthungerhilfe (WHH) has been working in today's South Sudan since the late 1990's. Since the country's independence in 2011, WHH has implemented 104 projects ranging from rapid disaster relief to reconstruction and long-term development cooperation projects with local partners, with an overall volume of over EUR 575 million. In 2024 alone, WHH in South Sudan reached over 568,000 people through 13 projects implemented across three states: Northern Bahr El Ghazal, Unity State, and Eastern Equatoria. WHH in South Sudan receives institutional grants from German Federal Funds (GFFO, BMZ, GIZ), UN (WFP, FAO, SSHF) and the European Trust Fund (EUTF). The primary areas of work of WHH in South Sudan are food systems transformation encompassing food security, inclusive economic development, nutrition, WASH and infrastructure rehabilitation, under the overarching umbrella of climate resilience and adaptation. Established in Germany in 1962 under FAO-led campaign against hunger, WHH currently operates in 36 countries globally.

Project background:

The position will be supported through funding from multiple ongoing projects in Northern Bahr el Ghazal (NBeG). Collectively, these projects are designed to strengthen food systems within the BMZ, skill Up and Harvesting the future interventions.

Job purpose:

The Logistics Coordinator is the focal point for inventory, stock, assets, fuel, warehouse and compound management for WHH South Sudan. The role coordinates transport, shipping and customs processes, consolidates logistics information from Area / Project offices, and liaises with government offices for authorisations. The post holder maintains accurate logistics and administrative records for all locations, including leases, insurance, security services and utilities, under the direct supervision of the Area Manager, with the matrix management from CO-based Logistics Expert.

Key responsibilities

- Support the planning and implementation of logistics operations, including procurement processes, cost estimation, supply planning and timely replenishment in line with organizational procedures.
- Oversee asset, inventory and warehouse management across all locations, ensuring accurate tracking, verification, documentation and regular physical controls.
- Coordinate the transportation, shipment and movement of goods, including fleet operations, driver management and compliance with documentation, customs and regulatory requirements.
- Ensure effective management and maintenance of office facilities, utilities and equipment (including power, water, fleet and generators), maintaining operational continuity and safety standards.
- Maintain comprehensive logistics documentation and reporting systems, including inventory records, fleet and fuel data, and consolidated field reports for decision-making.
- Provide technical support and capacity building to field teams, including guidance on logistics procedures, systems and compliance requirements, and conduct field visits as needed.
- Strengthen coordination with internal teams, field offices and external stakeholders, facilitating permits, clearances and efficient supply chain operations.
- Ensure compliance with organizational policies and standards (procurement, safeguarding, compliance, security), while promoting accountability, risk management, data quality and a culture of safety across logistics functions.

Your profile:

- Bachelor's degree in Logistics, Supply Chain Management or another relevant field.
- Minimum four years job-related professional experience with a large-scale international NGO.
- Strong skills in Microsoft Office applications (Word, Excel, PowerPoint).
- Working experience with digital solutions for operational efficiency.
- Fluency in written and spoken English is essential.
- Experience and knowledge of key institutional donor procurement rules and regulations, esp. WFP, BMZ, GFFO, FCDO etc.
- Demonstrated ability to coordinate complex logistics and supply-chain processes, with excellent organizational skills, strong attention to detail and ability to work effectively under pressure and to tight deadlines.
- Excellent coordination and organizational skills, including ability to work under pressure, pay attention to detail.
- Excellent communication skills to coordinate between different stakeholders.

- High level of professional and personal integrity.

Application procedure:

Interested applicants can submit their application (max. four pages) in English, including copies of certificates/ diplomas, national ID, providing names of three referees and a telephone contact. The applications are to be submitted to our **online recruiting system**, with the subject **“Logistics Coordinator - Nyamlel, Northern Bahr el Ghazal State”**.

The applications may also be submitted to: Welthungerhilfe South Sudan Office located at Palatial office, Hai -3-K South, Plot No. 69, Block No.3-K South, 2nd Class, Tongping, Juba South Sudan OR to our Field Office in Nyamlel, NBeG State.

Applications should not reach later than **24.04.2026 at 5pm**.

Only short-listed candidates will be contacted. Qualified females are strongly encouraged to apply.

Safeguarding Notice:

Welthungerhilfe (WHH) does not charge any fees at any stage of the recruitment process, including application, shortlisting, or appointment. Any request for payment in connection with a WHH vacancy should be treated as fraudulent and reported immediately through our official channels:
