Job Title: GBV Project Officer

Location: Kajo keji, South Sudan.

Timeframe: Job Duration is (3 months) with Possible Extension based on donor funding.

Opening Date: 16th July 2021.

Closing Date: 05th August 2021.

About IsraAID

IsraAID is a non-profit, non-governmental working in 15 countries worldwide to provide assistance to populations affected by the conflicts, natural disasters, massive displacements and acute poverty.

IsraAID started its activities in South Sudan after the country gained independence in July 2011. Since then, IsraAID has been accompanying its national partners in their efforts to build effective mechanisms to address some of the most urgent social and protection challenges facing the population of South Sudan, especially Gender-Based Violence, Child Protection, And post-trauma assistance.

IsraAID, in collaboration with its national partners, is conducting protection programs in Greater Mundri-East/West, Maridi, Juba, Kajo Keji, Morobo, Lainya, and Yei in South Sudan.

IsraAID's program objectives in South Sudan are:

1. Building the capacity of, and empowering, national partners and service providers working with communities affected by conflict and displacement;
2. Accompanying the national partners in their efforts to develop and implement sustainable programs and services that address the protection, education and health needs of the communities affected by conflict and displacement.

SUMMARY

This position is an exciting opportunity to join a growing organization in developing its global humanitarian practices. The **GBV Project Officer** will be based in Kajo keji.

JOB PURPOSE

The Project Officer will supervise a team of GBV project staff to effectively implement GBV prevention and response activities targeted IDPs and host communities in Kajo keji.
